www.racemrann.com

Mini Bike Referee- Steve Tichenor

Mini points will be posted Friday.

Land Use Committee/Medial Team Report: Phil Fell

Thank you Trailblazers for a great event. BLM travel planner attended the race and was very impressed.

Race report updates:

Dan Rankin (Trailblazers) – Great event. Had 2 injuries but nothing severe. One collar bone, which was a club member and a humorous during Sundays race. We had a total of 226 racers.

WSRA – NO Whoops! Saturday is 29 miles but they are working on adding more mileage to that race. Sunday start will be moved farther out so its not as congested.

Lassen MC – Big bike race is two 45 mile loops and we are working with BLM on new trails.

Gold Diggers – Permit in for Bottle Creek. Sunday race is two 45 mile looks and mini race is a 15 mile loop.

Corey Herring – The race will be hosted at Honey Lake MX.

Mason Valley – Permit is in for Yerington.

Rimbenders – Still wants to host a National Hare and Hound that will be a point to point race.

OLD BUSINESS:

Moto Tally – A representative from D36, Shawn Rhodes, has offered to help MRANN understand Moto Tally, expenses and training. We hope to get him scheduled to come to the April meeting.

NEW BUSINESS:

Cheaters MC want to propose that their race will be a “team race” for the race format. See attachment below with the proposed details (provided by Cheaters MC).

MRANN board asks clubs for more specific sign-up times and to confirm this with the Vice President.

VCMC has offered MRANN a free booth at the VCGP race.

Family fun days will be hosted in the fall.

EMS sweeps want to create a non-profit to help benefit MRANN and its clubs. This will help them be more organized when helping sweep events and will solve issues with low medic sweep turn-outs.

Meeting Adjourned at: 7:57pm

Next Meeting: April 7, 2020 @6:30pm | Round Table Pizza – 4007 S. Virginia St, Reno, NV 89502

Cheaters Team Race

1. All Teams Ride the same bike (like Vegas to Reno, Baja ect)
2. Riders must meet the requirements of the Division
3. If both riders are not in the same class the highest class in the one they are racing. Ex: Expert and Novice= Expert Class, Amateur and Novice = Amateur.
4. Timed start one/two bikes at a time max
5. Doesn't affect points because the points are based on overall in the Division. It is beneficial for a novice to ride with an expert –but not for the expert.
6. Trophies will be based on class finish 2 trophies per team
7. Riders can split up the course any way they want
8. Loop is @120 miles x 2 *total miles 240*
9. Mini's will also be a team race –normal course
10. Entry is 60 per rider
11. No Iron Man- Must have a partner-even if the partner doesn't ride
12. This will bring new riders to MRANN
13. This will mrann members together – making friends –team bonding

Land Use Committee/Medial Team Report: Phil Fell

Phil Fell is only a MRANN Land Use Representative when attending MRANN meetings. New bill, Moonrocks is designated as a riding space. This could change down the road. New BLM contact for travel management is helping to get new permits are new riding areas or areas that haven't been permitted in some time.

www.landsbill.org

Race report updates:

Trailblazers permit it in. You can have a campfire but it must be contained in a container. Epic conditions.

OLD BUSINESS:

MRANN board is looking into pricing for MotoTally scoring system. Looking into pricing for club use or comped by MRANN.

Enforcing correct background color and numbers. Will be consequences per clubs decision.

NEW BUSINESS:

Proposed by Chris Maas that MRANN adopt the Kurt Caselli Foundation markings. MRANN board has sent in application (under review and waiting approval)

MRANN wants to bring back the MRANN family fun days and participate in the Nevada Day Parade. Looking into parade registration pricing.

MRANN is signed up for KTM, Husky and Kawasaki contingency. All club results and standings must have bike make in order for contingency to work. MRANN will be providing clubs with a results template.

New title sponsors. Question asked what will be paid back to the club with the new sponsor money. Sponsor money has already been used to purchase flags for all races.

Races: Trail Blazer race. 137 racers. All Good.

Upcoming races: MVDS race good to go. No cost recovery!

Tank Slapper race is coming up. Big lack of club participation is making Bobber wonder why he is still doing all of this. Says it will be good this year but maybe not next year.

VOTES : Need to vote on 3 things next meeting. Approve back to back races in June.
Rimbenders want to dual sanction their race with AMA hare and hound series. If MRANN wants to sell trailer to TB club for \$2000. Bring back to clubs and vote next meeting.

NEW BUSINESS: . Trail Blazers want to buy MRANN trailer since they are the only club that uses it anyway. \$2000. Will vote on it.

Nominations for ALL MRANN Board positions. Will vote on in December meeting.

Up for nomination: Pres - ? VP-? Big ref-? Mini ref – Tich, Tres- Channel, Sec-Tina Land Use-?

Land Use Committee/Medical Team Report: (Cris Maas) D36 suing BLM over sage grouse. Needs donation to help fight. Vote to give \$2000 to help with fight. PASSED.

Races: Corey Herring race: 184 racers. All good.

Upcoming races: TB race good to go.

MVDS race dead camel. Larry Wright memorial. Will see if BLM charging cost recovery.

VOTES To donate \$2000 to help fight sage grouse shutting down areas. VOTE PASSED.

Vote to let VORRA become a MRANN club and put on a MRANN race next year. VOTE FAILED.

NEW BUSINESS: .

Vorra wants to be a club in MRANN. All clubs discussed the benefits of this. Most at meeting decided against due to certain stuff. No layout of mini or peewee races were ever discussed by VORRA. Their race format is not MRANN style. Not enough participation in communicating their race plan to MRANN.

OLD BUSINESS: Need to get schedule going for next year.

Races: Lassen race good. 163 racers. 1 injury avocado broke her arm

Corey Herring race is good to go.

VOTES

NEW BUSINESS: Chris Ingram donated one of his sat phones to MRANN.

Cory Herring scholarship apps are turned in. 5 total.

Vorra wants to be a club in MRANN. We will see how there upcoming events are and vote later.

VOTES: 1st vote. Make a new board position. Medical/Comm Officer. **FAILED**

2nd vote. To take \$2 out of entry from land use fund and make a medical communication fund. **PASSED.** Does not make any sense since we will have about \$3000 per year and the sat phone bill alone is more than that. Then to buy medical supplies we will need to take money from the general fund which we do now.

Treasurer's Report- (Anita Honea)- Funds:

General : \$8231

Corey Herring Scholarship : \$12521

Land Use : \$29735

Secretary Report- (Desert Fox) - Nada

Big Bike Referee- (Chanel Egesdahl) – Nil

Mini Bike Referee- (Tichenator Steve Thichenor) – Nothing

Land Use Committee (Chris Maas) - DDC and Nate Delaney will donate \$5 for every sprocket he sells to MRANN land use fund.

Navy land grab in central NV- Can go online and comment on the 3 proposals. We should get a link up on facebook.

Races: Trail Blazers Race. Race approved. May be snow. They may have to use lower loops.

Ziggy says you must run ice studs. He does not understand that when you are that slow it won't really make a difference.

WSRA Race. On track. Wear a thong and ride around like a D-36 goon.

Old Business

CHMC Scholarship award applications will out soon. Look on MRANN FB for details.

Sat phones need a new plan. Zotter will check on a new plan.

Chris Ingram – Need more med supplies.

Motion 1 – Make medical person in charge of med bags and supplies for the year.

This would be a board position.

Motion 2 – Take \$2 per racer from the land use and make a medical supply fund.

So instead of \$4 per race per event it would be \$2 and \$2. Land use and medical.

A lot of blahblahing about this. It was the opinion of Ziggy that when med packs need supplies you just have MRANN buy them out of the general fund like stamps. And instead of a board position you just find a volunteer like Chris Ingram?

2019 Schedule:

Trailblazers: February 16-17

Races:

Trail Blazers – Good to go.

Flyer out soon.

NEW BUSINESS: Does MRANN want to give Blue Ribbon Coalition \$\$? Have to think about it. Do we want to talk about possibly going AMA? Does not seem like they have much to offer.

WSRA has proposed a dual sanction (D36 and MRANN) Sprint Enduro: This will comprise of three tests: a 5 mile test, a 10 mile test and a 15 mile test. Each test done twice (two loops). This will be on Sunday; Saturday will be a regular MRANN Saturday race. All MRANN Rules apply. WRSRA will pay AMA/MRANN entries. **Because this is a dual sanctioned race, this will need to be voted on by the clubs:** VOTED on 1/8/2019 by Competition Committee. PASSED.

President- (Dan Rankin) – As always, be sure to use pit mats! Let's remember to keep dogs on leashes during races. Please keep dangerous dogs inside a trailer or leave them home. We have had to say this every month. And it's still an issue. From now on, you may be disqualified if your dog is off leash. It has become a safety issue. We also had a lot of pit riding at Moonrocks.

We were contacted by Southern MRAN- they are interested in doing another North VS South race. The last time we did this was in 2006 in Ely.

Vice President- (Chanel Egesdahl) – Nothing new.

Big Bike Referee- (Ronnie Scorserelli) – Points are updated.

Mini Bike Referee- (Beth Legenbauer) – Points updated before the Rimbenders race. Will try to get them updated before the Tankslapper race, so you can see your standings into the last race. Any questions, please contact me.

Land Use Committee/Medical Team Report: (Dave Zotter)

Medical Team: All is good. Med team will be out at Tankslappers.

Land use: Brandon Henning says there are organizations filing suits regarding the new Sage Grouse plan. Stay tuned for updates.

Races:

- Rimbenders – 170 entries (minus the team race), BLM costs came to \$6970 including \$6/rider. It will take up to a year to be refunded our payment over that.
- Tankslappers – Race will be at south Nightengale. Big loop is 47 miles, Saturday loop is 18 miles. Flyer will be out this week. All set. Churchill Medical will be on site. Gonna be dusty.

NEW BUSINESS:

2019 Board Nominations! – Every position on the MRANN Board is open! Improve the sport, participate!! Current nominations:

President – Ryan Albert VS Phil Fell

Treasurer – Anita Honea

Vice President -Wyatt Brittner

Saturday Referee – Steve Tichenor

Secretary – Dennis Belingheri

Sunday Referee – Chanel Honea

Land Use – Chris Maas

SPREAD THE WORD! NOMINEES NEED TO BE IN BY DECEMBER MRANN MEETING!

Shall we have a fall series to increase rider count in the second half of the year? There is a big rider loss in winter. This could keep people coming to races all year long.

Rhino Welding is raffling off a Side-by-Side! Buy tickets at the races! \$100/ticket. Only 300 sold! We will draw the winner at the Banquet!

Voting:

1. Revision of wording in Section 1. GENERAL RULES sub-section d:
 - d. All motorcycles that do not meet both a 17" or larger rear wheel and a 20" or larger front wheel as designated by the labeled tire size will be limited to gasoline.

VOTE: 7Yes: 1No **PASS**

2. VINTAGE/BOMBER DIVISION: This division is open to any rider racing bikes from the year 1984 and older. This class will be designated with the letter "B" following their number. Riders may ride motorcycles of any displacement or stroke. There will be (1) class in this division (no Novice, Amateur, or Expert). This class will run white backgrounds with black numbers.

VOTE: 3Yes: 5No **NOT PASSED**

3. Numbering System: Riders may run the number earned from the previous season. Overall top twenty numbers will also be reserved for the current race year. Riders have until the Wednesday following the first race of the year to claim the number earned from the previous season. After that date, race numbers 1-10 from each division and overall top twenty shall be reserved for those who earned them, all other numbers will be forfeited. Race numbers are assigned on a first come first serve basis.

VOTE: 4Yes: 4No **NOT PASSED**

4. Edit of:
e. BIG BIKE Start Order:
Experts will start on the first banner, amateurs on second, and novice on third. Promoting club may have additional starts, but not less than three (3).

VOTE: 1Yes: 7No **NOT PASSED**

5. Addition of Section 8. PROTESTS sub-section:
h. Any protest filed with the MRANN board becomes invalid when posted on social media prior to Competition Sub-Committee decision.

VOTE: 0Yes: 8No **NOT PASSED**

We would like to do something in Moto's honor. Scholarship? Moto Mini Team? We have a call into Ryan Toomey but waiting to let the dust settle a bit. If you have any good pictures of Moto, please send them to Tina; she is making a slideshow for the banquet.

What about an Annual Mini Award?

Could we put the Moto Mini Logo on the mini jackets?

Cheaters+Rimbenders will combine again next year for a race: March 23-24

National Hare & Hound Combined with Rimbenders next year: From Lovelock to Nightengale. Sept 14-15. Entry \$100. MRANN racers scored separately. Rimbenders will pay for AMA cards=\$20. Because this is a dual sanctioned race, this will need to be voted on by the clubs

President- (Dan Rankin) – As always, be sure to use pit mats! Let's remember to keep dogs on leashes during races. Please keep dangerous dogs inside a trailer or leave them home. We have had to say this every month. And it's still an issue. From now on, you may be disqualified if your dog is off leash. It has become a safety issue.

Vice President- (Chanel Egesdahl) – We held a Rule Committee Meeting earlier tonight. New proposed rules are attached for review by clubs. Will be voted upon in December. Also, please make sure you have correct backgrounds on your numbers. I have temporary numbers at every race if you need them.

Treasurer's Report- (Anita Honea)- Funds as of last week:

General : \$17,383.65

Corey Herring Scholarship : \$12,355.08

Land Use : \$31,100.07

Secretary Report- (Julianne Zotter) - Last month's meeting minutes are posted.

Big Bike Referee- (Ronnie Scorserelli) – Points are updated. If you see any issues, please let me know.

Mini Bike Referee- (Beth Legenbauer) – Points updated. All the bumps are done for the year. Unless I get a request from someone who wants to be bumped before the end of the season.

Land Use Committee/Medical Team Report: (Dave Zotter)

Medical Team: All is good. Med team will be out at Rimbenders.

Land use: Washoe County Lands bill still threatens much of our riding. Please research and vote for your representatives!

Races:

- GoldDiggers – Race went well. 61 Saturday racers, 86 Sunday racers. 29 DNF's on Sunday. A few minor injuries.
- MVDS – Race went well. 50 Saturday racers, 78 Sunday racers. A few minor injuries.
- Rimbenders – Race to be at Moonrocks. We've hit another financial snag. BLM usually charges us \$5-6,000 to run at Moonrocks. Now they are estimating \$8000. At this price, we need to ask MRANN for yet another \$2000, and after the race Rimbenders will pay MRANN back. According to the BLM, this is the last year we can run Moonrocks as the 10year EA is over.
 - Vote to lend Rimbenders additional \$2000:
 - Unanimous PASS
- Tankslappers – Race will be at south Nightengale. Big loop is 47 miles, Saturday loop is 18 miles. Flyer will be out this week. All set. Gonna be race of the year!

MRANN Rule Book Change Request Form

One Form Per Request Please

Proposed Date: 10 / 02 / 18

Proposed by: Chanel Egesdahl

Proposed New Rule:

Revision of wording in Section 1. GENERAL RULES sub-section d:

d. All motorcycles that do not meet both a 17" or larger rear wheel and a 20" or larger front wheel as designated by the labeled tire size will be limited to gasoline.

Purpose of New Rule:

To remove the restriction and to allow electric bikes (i.e. Altas) to participate in MRANN races. This rule still restricts pee-wee's and mini's to gasoline powered motorcycles.

Affected Sections of Rule Book:

Section 1. GENERAL RULES sub-section d.

Proposed changes must include the section of the rulebook to which they pertain, and the affect it will have on other rules relative to such change if approved.

MRANN Rule Book Change Request Form

One Form Per Request Please

Proposed Date: 10 / 02 / 18

Proposed by: Chanel Egesdahl

Proposed New Rule:

o. Numbering System: Riders may run the number earned from the previous season. Overall top twenty numbers will also be reserved for the current race year. Riders have until the Wednesday following the first race of the year to claim the number earned from the previous season. After that date, race numbers 1-10 from each division and overall top twenty shall be reserved for those who earned them, all other numbers will be forefitted. Race numbers are assigned on a first come first serve basis.

Purpose of New Rule:

To prevent VP from having to reserve 60+ numbers in classes with high participation. From my experience most people don't run their earned numbers unless they are within the top 10 earned numbers. This also releases earned numbers that are not claimed by racers who run a different race number.

Affected Sections of Rule Book:

Section 2. Division Classifications - Sub-Section o. Numbering System

Proposed changes must include the section of the rulebook to which they pertain, and the affect it will have on other rules relative to such change if approved.

MRANN Rule Book Change Request Form

Proposed by: Dan Rankin

Proposed New Rule:

Addition of Section 8. PROTESTS sub-section:

h. Any protest filed with the MRANN board becomes invalid when posted on social media prior to Competition Sub-Committee decision.

Purpose of New Rule:

To prevent false information from circulating and varying decisions prior to the meeting where all evidence and facts are presented for decision.

Affected Sections of Rule Book:

Section 8. PROTESTS

Proposed changes must include the section of the rulebook to which they pertain, and the affect it will have on other rules relative to such change if approved.

MRANN Rule Book Change Request Form

One Form Per Request Please

Proposed Date: 10 / 02 / 18

Proposed by: Chanel Egesdahl

Proposed New Rule:

Edit of:

e. BIG BIKE Start Order:

Experts will start on the first banner, amateurs on second, and novice on third. Promoting club may have additional starts, but not less than three (3).

PEE-WEE Start Order:

7 & Older

65 Novice

4-Stroke

6 & Under

MINI/SATURDAY WOMEN Start Order:

Expert 100, Expert Women

Amateur 100, Amateur Women, and Expert 65

Novice 100, Novice Women, and Amateur 65

It is up to the promoting club's discretion where the vintage/bomber line will start and if they would like to separate the Women's starts from the Mini starts. Mini and Women Starts must have a minimum of (3) starts (Expert, Amateur, Novice).

Purpose of New Rule:

There is no specified starting order for the pee-wee class. This will provide clarification for the promoting clubs at future races in regards to the starting order for all three races.

Affected Sections of Rule Book:

Section 13. STARTS AND FLAGS sub-section e.

Proposed changes must include the section of the rulebook to which they pertain, and the affect it will have on other rules relative to such change if approved.

MRANN Rule Book Change Request Form

One Form Per Request Please

Proposed Date: 10 / 02 / 18

Proposed by: Chanel Egesdahl

Proposed New Rule:

Addition of:

f. VINTAGE/BOMBER DIVISION: This division is open to any rider racing bikes from the year 1984 and older. This class will be designated with the letter "B" following their number. Riders may ride motorcycles of any displacement or stroke. There will be (1) class in this division (no Novice, Amateur, or Expert). This class will run white backgrounds with black numbers.

Purpose of New Rule:

There currently is no division classification in the rule book for the Vintage/Bomber class and one needs to be added.

Affected Sections of Rule Book:

Section 2. Division Classifications subsection f.

Proposed changes must include the section of the rulebook to which they pertain, and the affect it will have on other rules relative to such change if approved.

President- (Dan Rankin) – As always, be sure to use pit mats! Let's remember to keep dogs on leashes during races. It is starting to become an issue. Please keep dangerous dogs inside a trailer or leave them home.

Vice President- (Chanel Egesdahl) – There will be a Rule Committee Meeting in October. We hold it an hour before the regularly scheduled MRANN meeting: 5:30 on October 2nd. If you have any proposed rule changes or edits to the Rule Book, please bring them in writing to the Rules Committee.

Treasurer's Report- (Anita Honea)- Funds as of last week:

General : \$17,205.47

Corey Herring Scholarship : \$12,129.50

Land Use : \$31,091.88

Not all the title sponsors have paid up. Anita may institute a better system for next year. We need to be paid before we count them as a sponsor.

Secretary Report- (Julianne Zotter) - Last month's meeting minutes are posted.

Big Bike Referee- (Ronnie Scorserelli) – Did not attend meeting.

Mini Bike Referee- (Beth Legenbauer) – Points updated. All the bumps are done for the year. Unless I get a request from someone who wants to be bumped before the end of the season.

Land Use Committee/Medical Team Report: (Dave Zotter)

Medical Team: All is good. Med team will be out at GoldDiggers.

Land use: National: Senate Energy + Natural Resources Committee held 32 hearings on public land bills. This is the precursor to putting together public land bills. NOHVCC had their National Conference in August. They are continuing their commitment in assisting and building sustainable OHV trails.

Dave went to the NOHVCC Special Use Permit workshop last month. It was a very productive meeting. Our goals to bring to the BLM will be:

- Consistency – consistency with fees, permit deadlines, etc.
- Singular place to apply for permit ONLINE – this will enable access to check status, establish an “Approve by” date. If permit not reviewed in 45 days, it is automatically approved.

Other race organizations have a course marshal called “Independent Monitor” who reviews the course before the race. If we can show consistency with our races with the use of an Independent Monitor, then we can expect the same from BLM.

Races:

- GoldDiggers – Permit good to go for Winnemucca Mountain. **ABSOLUTELY NO CAMP FIRES!!** We will be on the other side of the mountain, not the MX track. Out through the dunes. There will be dust, silt, badger holes, and valleys full of tumble weeds. Flyer will be up next week. Access is easy – it’s right off the highway 95. We will have electronic scoring with Jeff Miller. There should be service for the square reader. Sunday: 34 miles, 3 loops. Saturday: 23 miles, 3 loops, no dunes. No team race. Ambulance on site. Sweeps welcome, but we are ok.
- MVDS – Permit in hand. The race will be held at the Lovelock Speedway
- Rimbenders – Race to be at Moonrocks

President- (Dan Rankin) – Let's remember to keep dogs on leashes during races. It is starting to become an issue. Please keep dangerous dogs inside a trailer or leave them home.

Vice President- (Chanel Egesdahl) – We had some guys show up late to Corey Herring, wanting to race Amateur/Expert. They had already missed the Novice race. But they were not MRANN members, therefore I could not let them sign up as Experts. This put me in a difficult situation of turning them around at the gate.

Treasurer's Report- (Anita Honea)- Funds as of last week:

General : \$12,828.70

Corey Herring Scholarship : \$11,647.59 – after payment of scholarships

Land Use : \$30,270.89

Secretary Report- (Julianne Zotter) - Last month's meeting minutes are posted.

Big Bike Referee- (Ronnie Scorserelli) – Points updated today. I have received a lot of complaints about improper number backgrounds. I will be DQ'ing racers without proper number plates at the next race.

Mini Bike Referee- (Beth Legenbauer) – Points updated today. 1 or 2 bumps at Honey Lake. The classes are becoming well distributed.

Land Use Committee/Medical Team Report: (Dave Zotter)

Medical Team: All is good. Med team will be out at GoldDiggers.

Corey Herring Memorial Scholarship: Funds have been distributed. Thanks Anita for making everything go smoothly.

Land use: Dave will be attending a BLM workshop about revamping the permit process. This is a follow up from a November meeting with BLM which ended with positive interactions. The goal is to solve the issues that come with special event permits. Dave needs your comments! What do you want to see done differently? Please let Dave know by August 24th.

Races:

- Corey Herring Memorial Club – Had a total of 203 riders. 3 minor injuries on Saturday. Sunday had one dislocated shoulder. Thank you medical team for all your help! The weather was great. Penny: Thank you everyone for helping me with the loss of my father. Everyone loves the T-shirts! One pit rider at sign ups... he was reprimanded. Sunday had two guys cut course, but could not verify numbers. They were Amateurs. We will be hosting a WORCS race in April.
- GoldDiggers – Permit good to go for Winnemucca Mountain. We will be on the other side of the mountain, not the MX track. Out through the dunes. There will be dust, silt, badger holes, and valleys full of tumble weeds. Flyer will be up next week. Access is easy – it's right off the highway 95. We will have electronic scoring with Jeff Miller. There should be service for the square reader. Sunday: 34 miles, 3 loops. Saturday: 23 miles, 3 loops, no dunes. No team race. Ambulance on site. Sweeps welcome, but we are ok.

NEW BUSINESS:

Rimbenders: Formally request \$2000 from MRANN Land Use fund for the Moonrocks race. BLM is charging \$6500.

VOTE: Unanimous PASS – Approved.

Vice Pres: Proposed REF shirts. Makes it easier for people to find the referees for questions. Not everyone knows who Ronnie or Beth are.

Course Marshal - Still discussing the use of a Course Marshal to inspect the course before each race. Who? How? When? Should be a board member? Should have expenses paid/compensated.

Lassen – Lassen MC Lost a 30yr member to cancer. So sorry for your loss.

Vice President- (Chanel Egesdahl) – Nothing new to report.

Treasurer's Report- (Anita Honea)- Funds as of last week:

General : \$17,752.47

Corey Herring Scholarship : \$15,460.47

Land Use : \$29,192.64

Some checks left to deposit. CMS will still support MRANN under new ownership.

Secretary Report- (Julianne Zotter)

Last month's meeting minutes are posted.

Big Bike Referee- (Ronnie Scorserelli) – Points will be updated by next week.

Mini Bike Referee- (Beth Legenbauer) – Points will be updated by next week.

Land Use Committee/Medical Team Report: (Dave Zotter)

Medical Team: All is good. Med team will be out at Corey Herring. Ingrams donated a case for the Spot.

Corey Herring Memorial Scholarship: \$4200 given out in scholarships. 9 applicants, 4 awarded. That's 3 times more than last year. All the recipients sent in "Thank Yous"

Land use:

1. California Off Road Recreation and Conservation Act.
2. There is a proposed bill floating around in Washoe County. It's called the Washoe County Economic Development and Conservation Act. You can read about it here:
https://www.washoecounty.us/csd/planning_and_development/conservation-act.php

In summary, this bill proposes selling off BLM land to developers for future housing development. They have proposed a "disposal boundary" where the land will be sold. This boundary includes a lot of our riding areas like Moon Rocks, Dog Skin Mountain, Chickadee, and much more. This is not a bill the public can vote on. It will be decided by our 5 county commissioners. So, if we want to keep our "Public Lands in Public Hands", please write, call, email, visit, etc. your county commissioner and tell them how you feel. Feel free to ask Julianne Zotter about this, she has done a lot of research and is actively trying to get this bill shut down. Also, remember to do some research and VOTE in the upcoming local elections!

3. House Natural Resource Committee approved H.R. 857- legislation designates 6 BLM off-highway as congressionally designated OHV recreation areas. This means future administrations will not be able to eliminate OHV usage by re-writing a management plan.

Races:

- Corey Herring Memorial Club – Honeylake is good to go. We had pit riding issues last year, so there will be strict enforcement this year. Plenty of water, no dust on the MX track. Going to try to start earlier to beat the heat. There will be no team race. Sunday race will be in the order of Novice, Amateur, Expert. 4H will be at the race to cook breakfast and lunch on both Saturday and Sunday. 1 mile Pee Wee race, 3 mile Mini race, 4.8 mile Sunday race. Bring old gear for a gear swap!

NEW BUSINESS:

Rimbenders: Formally request \$2000 from MRANN Land Use fund for the Moonrocks race. BLM is charging \$6500.

Vice Pres: Please let Chanel know when sign ups are at your race so she can be there to do MRANN sign ups.

President- (Dan Rankin) – Let's remember to keep dogs on leashes during races. It is starting to become an issue. Please keep dangerous dogs inside a trailer or leave them home. We don't want to have to create a rule about this, and we don't want to exclude dog owners.

Vice President- (Chanel Egesdahl) – Nothing new to report.

Treasurer's Report- (Anita Honea)- Funds as of last week:

General : \$13,047.43

Corey Herring Scholarship : \$14,541.16

Land Use : \$26,659.00

We finally figured out the Morgan Stanley (CHM Scholarship) account. Nothing has been deposited or withdrawn. All scholarships have been paid with an account that Anita has set aside.

Also, the Team Race is charged full MRANN fees (\$10/team).

Secretary Report- (Julianne Zotter)

Last month's meeting minutes are posted.

Big Bike Referee- (Ronnie Scorserelli) – I have made some corrections to points and standings. And a few guys got bumped.

Mini Bike Referee- (Beth Legenbauer) – Points will be updated by next week.

Land Use Committee/Medical Team Report: (Dave Zotter)

Medical Team: Cheaters had two helicopter extractions on Sunday. Even with these significant injuries, all medical protocol went well and as planned. We will have to start charging for medical supplies reimbursement. But we need to some accounting first.

Corey Herring Memorial Scholarship: \$4200 given out in scholarships. 9 applicants, 4 awarded. That's 3 times more than last year.

Land use:

1. NOHVCC sent a full report to BLM. It is posted on their website. BLM respected a similar report in Idaho, we will see what Nevada says.
2. There is a proposed bill floating around in Washoe County. It's called the Washoe County Economic Development and Conservation Act. You can read about it here:
https://www.washoecounty.us/csd/planning_and_development/conservation-act.php

Also, remember to do some research and VOTE in the upcoming local elections!

Races:

- Lassen – 143 total riders. Chuck Faul broke his leg, only major injury. Some Saturday racers got lost. We did see some pit riding. Even someone riding a pit bike IN the pee wee race trying to follow their kid. This is not ok. We had 2 sportsman racers, both requested year MRANN cards.
- Cheaters – 145 riders + 4 teams. Need to adjust some results. Great course, good marking, challenging but fun. Some major injuries, discussed below.
- Corey Herring Memorial Club – Honeylake is good to go. We had pit riding issues last year, so there will be strict enforcement this year. Plenty of water, no dust on the MX track. Going to try to start earlier to beat the heat. There will be no team race. Sunday race will be in the order of Novice, Amateur, Expert. 4H will be at the race to cook breakfast and lunch on both Saturday and Sunday.

NEW BUSINESS:

Dry lake bed injuries: Cheaters had two major injuries on the dry lake bed this year. This has occurred multiple times in the past on the lake bed. Perhaps we need better communication with the crashes that occur at the start. When Dane Johnson crashed on the Expert line, he was in immediate danger of getting run over by the Amateur line. And then the Novice line. Maybe we need a protocol for starts. Could do radio communication to clear each line before the next one goes. National Hare and Hound has a protocol for sweeping starts. We could adopt their plan.

Dane Johnson Poker Run: There will be a poker run to raise funds for Dane Johnson. His crash at Cheaters left him with a broken leg, severed artery, and a few broken vertebrae. More details on the fundraiser to follow.

Vintage/Bomber bikes: Per VCGP – Vintage bikes are 1974 and older, Bomber are 1975-1984. And there's an Evolution class. Does MRANN want to adopt these designations?

MRANN Family Fun Day – We used to MRANN Family Fun days in the summer, but haven't in a while. Do we want to do it again? Maybe Need for Speed?

President- (Dan Rankin) – Let's remember to keep dogs on leashes during races. Everyone is doing great with pit mats, keep up the great work! Also, WSRA is no longer on Probation.

Vice President- (Chanel Egesdahl) – I will have new Number plate backgrounds this weekend.

Treasurer's Report- (Anita Honea)- NA

Secretary Report- (Julianne Zotter)

Last month's meeting minutes are posted.

Big Bike Referee- (Ronnie Scorserelli) – I saw some pit riding at WSRA. It's all our responsibility to say something. Also, we should distinguish what a Bomber/Vintage bike actually qualifies as. New verbiage for Rulebook?

Mini Bike Referee- (Beth Legenbauer) – Points will be updated before this weekend.

Land Use Committee/Medical Team Report: (Dave Zotter)

Medical Team: WSRA was a great race! There were a ton of sweeps. No major injuries. Lassen is all set for medical. We have a full load of med sweeps.

Corey Herring Memorial Scholarship: We have received 3 applications. We will accept applications until April 22nd. So please apply! Any high school seniors applying to college or trade school, please apply. Also, any current post-high school students in college or trade schools, please apply.

Land use: Dave Zotter and Brandon Henning spoke with a Rep from NnA and the Department of Interior about inequities with cost recovery. Rick May (DOI) is an OHV guy and wants to open up trails, etc. He is looking for information.

Races:

- Western States – 171 Riders. We had a broken collarbone Saturday and a broken wrist Sunday. Course was fun. Good work WSRA!
- Lassen – The course is marked. 45-50 mi Sunday course, 2 loops. It is rocky! The rain has washed away a lot dirt, exposing rocks. Mini/Women loop will be 30-35 miles, 1 loop only. There will be alt gas at 17 miles. Team race is 20 miles, no alt gas. Road to get there: through Pyramid is not advisable with trailers. There are some big dips. Fish Springs road is good and trailer friendly.

NEW BUSINESS:

Vote #1: Lassen M/C would like to host a Sportsman Class in their upcoming race. This would be a non-points paying class, no trophies, \$40 entry and start after the novices.

Vote: 7:1, **PASS**

Vote #2: Rule changes need to be submitted by November by Club representative.

Vote: 5:2, **PASS**

Vote #3: Exhibition class with Competition Committee approval

Vote: 7:0 **PASS**

Meeting Adjourned at: 7:00 pm

Next Meeting: May 1st, Victorian Ave. Blind Onion, **6:30pm**

MEETING MINUTES FROM: 3/6/2018

Meeting Called to order @ 7:00 p.m.

ROLL CALL FOR CLUB REPRESENTATION:

Trailblazers M/C- 2

Vice President- (Chanel Egesdahl) – MRANN can now process Credit Cards for membership fees. We tested the processing at the Trailblazers race. It seems to work great! We will have Credit Card charging options at the next race.

Treasurer's Report- (Anita Honea)- Current accounts are as follows:

Land Use - \$27,235.14

General - \$14,808.86

Corey Herring Memorial Scholarship - \$15,903.00

Still tracking down payments from some title sponsors. The online payment and applications have been working great!

Secretary Report- (Julianne Zotter)

Last month's meeting minutes are posted.

Big Bike Referee- (Ronnie Scorserelli) – Points will be updated this weekend.

Mini Bike Referee- (Beth Legenbauer) – The first race brought out a ton of novice mini racers! I will redistribute classes soon to even out the competition for more trophies. Points are final and will be posted shortly. Please double check club rosters and let me know if someone in your club is not listed correctly.

Land Use Committee/Medical Team Report: (Dave Zotter)

Medical Team: We were busy at Trailblazers. All things considered, everything went well. We

were able to get medical attention and aid to those who needed it. Thank you, Seth, for organizing the helicopter evacuation for a down rider. Thanks for the help!

Corey Herring Memorial Scholarship: Scholarship application will be online by the middle of the month. You will have about 6-7 weeks to fill it out, then the committee will choose winners. Any high school seniors applying to college or trade school, please apply. Also, any current post-high school students in college or trade schools, please apply.

Land use:

National

- Changes to Department of Interior Reorganization- originally created 13 new regions defined by watersheds and geographic basins rather than state boundaries. Now they will follow state boundaries.
- Bureau of Economic Analysis study (2016) showed that motorized recreation was the largest activity under the Conventional Outdoor Recreation Umbrella; accounting for 459.4 billion in gross output. In response, a new organization was unveiled called the ORR Outdoor Recreation Roundtable. This is good news because it pulls together a diverse group of recreational interests under one umbrella. All working to move recreation forward on the National front.
- \$653 million in Emergency appropriations to the Forest Service and BLM to meet the shortfall in wildfire funding.

Local:

- BLM Meeting on Sage Grouse habitat management, Feb 7, wasn't very eventful. Mostly focused on Stage 1 Wildfire mitigation.
- BLM has requested feedback about the permitting process. So, if you have a specific comment or concern about your experience with permitting your race, please get in touch with Dave Zotter, who is compiling a report.

Races:

- Trailblazers: Saturday = 98 riders total. 23 teams, 75 kids/women. Sunday = 153 riders. There was one bad team race crash, he flew out in a helicopter. But he is home now, on the mend. One bad injury on Sunday, but he has been released as of yesterday. **Clubs be AWARE**: BLM charges \$5/rider, but our post report said \$6/rider. Be sure you are paying what you signed for on the permit and not more. Comment from Lassen: It was nice to see something new on the peewee course. Thanks Trailblazers for building a new course for the little guys!
- Western States – Ready to go! 45 mile loops. Alternate gas at 24-26miles. You may drive to alt. gas if you wish to help your rider there, but you must stay there the whole race. No back and forth. There will be a truck to take gas cans to alt. gas.

OLD BUSINESS:

2018 Race Dates:

- Trailblazers: 2/17 and 2/18
- WSRA: 3/17 and 3/18
- Lassen: 4/7 and 4/8
- Cheaters: 4/21 and 4/22
- Corey Herring: 6/16 and 6/17
- Goldiggers: 9/8 and 9/9
- Mason Valley: 9/22 and 9/23
- Rimbenders: 10/27 and 10/28
- Tankslappers: 11/10 and 11/11

NEW BUSINESS:

New Business 1: Lassen M/C would like to host a Sportsman Class in their upcoming race. This would be a non-points paying class, no trophies, \$40 entry and start after the novices.

The Board would like a vote on the addition of a class, per the rulebook.

Benefits of the Sportsman class:

1. Encourages new riders to try out a race
2. Allows riders to go out on a marked course with support for a ride without racing

Problems that may occur:

1. Addition of a class without the approval of a vote by the clubs opens up the possibility for every club to run all sorts of classes without approval. Major chaos ensues.
2. \$40 entries mixed in with \$60 – non points racers could affect the outcome of points classes. Get in the way, beat competitors, mix up finish order, mix up scoring.

This will be voted on by the clubs in a separate Rules Committee Meeting, dated March 20, 2018.

New Business 2: Cheaters/Rimbenders combined races. See letter, below:

MRANN Board,

Thank you in advance for reviewing and considering the following topic.

Topic - Any club putting on two races in one race season.

Issue - Individuals wanting to work only one and race the other.

Suggested solution - I want to give the members of the club the option to work both races, or work one race and race the other. Anyone choosing to work one and race the other needs to have their club place in writing which one they are racing/working prior to the first MRANN race of that season. This will prevent anyone making a last minute decision for a points advantage.

Reasoning for the suggested change - My family is long time Cheaters members, a few years ago we consolidated the Cheaters and Rimbenders. Some of the kids in our club, my 15yo included, has voiced his concern recently about sitting out two races. Jesse told me he would like to work the original Cheaters race at Blue Wing Flat and race the fabulous Moonrocks race. He belongs to MRANN because he loves to race, and enjoys helping out with one race like the majority of the MRANN membership. Even though there is a fair solution in the MRANN rules to average your points for the second race you work, he prefers to only sit one and enjoy the excitement of racing all others. This is not a points issue with him, it's the watching and waiting for the banner drop and the challenge of riding a hundred miles with 200 other race enthusiasts. In short, Jesse is part of MRANN to race, not work multiple races. I, on the other hand, choose to work both races because, it really is all about the kids!!

Suggested solution for the current race season - Because I'm not quite the ball of fire I used to be, I did not present this to the MRANN board at an earlier date. If the MRANN board chooses to allow riders belonging to a club putting on multiple races to choose prior to the season starting which one they will work/race, I'm hoping for this year you can make an exception and allow us to provide the list to you prior to the WSRA race. The actual issue at hand is our primary concern for future years, secondly is to allow us to provide the list prior to the second race for this year.

My apologies for not attending the meeting tonight, I am at Jesse's first high school lacrosse game which was moved because of the snow last week. I am available now or anytime on my cell. 775-544-9209

Thank you for taking the time to consider our concerns,
Jeremy White

Rimbenders and Cheaters will combine to put on the first (of the two) race of the year. Only Rimbenders will put on the second race Moonrocks. Cheaters will race this event. Thus all Rimbender members will have their second race averaged in per MRANN rules. Denis Belingheri will provide board with a list of ALL Rimbender and Cheaters club members ASAP.

President- (Dan Rankin)- Nothing new.

Vice President- (Chanel Egesdahl) – MRANN can now process Credit Cards for membership fees. Chanel will have the cc reader at races to process new members onsite. There is a 3% service charge. Not sure if we should charge that to the member or not. It is a convenience, but cash and check are still accepted. Chanel has processed and mailed many membership cards. If you do not receive your card before the first race, she will have it with her at the race.

Treasurer's Report- (Anita Honea)- Current accounts are as follows:

Land Use - \$26,636.99

General - \$7988.13

Corey Herring Memorial Scholarship - \$13,544.23

Secretary Report- (Julianne Zotter)

Discussion of the banquet review. General review is good, but we need to figure out a better, more reliable way to sell tickets. The money collected from ticket sales did cover the cost of the banquet. We will also try not to schedule on a holiday weekend.

Big Bike Referee- (Ronnie Scorsonelli) – Ready to roll for 2018!

Mini Bike Referee- (Beth Legenbauer) – Everyone was happy with trophies and jackets. If you have any suggestions on improvements, please let Beth know.

Land Use Committee/Medical Team Report: (Dave Zotter)

Medical Team: Good to go for Trailblazers. Medpacks and sat phones are ready and updated.

Corey Herring Memorial Scholarship: Scholarship application will be online by the end of the month. You will have about 6-7 weeks to fill it out, then the committee will choose winners. National- State of the Union Address covered:

- Infrastructure program repair
- Recreational Trails Program (RTP)- falls under DOT. Hopefully we gain approval for a study update (current study outdated). RTP funding is based on study.
- Department of Interior Reorganization- created 13 new regions defined by watersheds and geographic basins rather than state boundaries.
- Wants to transfer headquarters of BLM, US Fish and Wildlife and Bureau of Reclamation somewhere outside D.C. – still has to get congressional approval.

Local:

- BLM Meeting on Sage Grouse habitat management, Feb 7 from 5-7pm, at UNR Crowley Hall, Glick Ballroom C.
- Washoe County Public Lands Bill meeting – roughly 0.5million acres of wilderness in Washoe County. 10,000 acres proposed to be transferred from BLM to Truckee Meadows Water Authority. This area includes Bedell Flats, west of Moonrocks. No public comment link was readily found.

Upcoming Races:

- Trailblazers: Same spot – Nightengale. New Stuff! Loop 1 = 50 miles, rocky. Loop 2= 46 miles, less rocky, more fun. “Gonna be rad”
- Western States – Ready to go!

All medical supplies have been updated. MRANN sat phones are with Golddiggers still. We need those.

Land use: Congress extended funding to federal agencies until December 8th. More money to the USDA Forest Service to aid with firefighting. National Monument Agency vacancies at the top end make it difficult to get anything done.

Race report updates:

Gold Diggers M/C- Elko, NV – Great race!

1. peewees 22 vs 26 in 2016

mini 12 vs 16

woman 13 vs 17

bomber 2 vs 3

team 10 vs 12

2. Sunday- big bikes 69 vs 85

*138 riders total

* minor injuries for the weekend.

3. we received MRANN's invoice and we will mail a check off shortly.

4. we have someone heading to reno early next week and they will return the SAT phones to whomever you would like to meet up with her.

Tankslappers M/C- Purgatory, NV- Race to be at Purgatory, new stuff, old stuff. No dust!

Permit submitted. Access road is rougher now due to the fire. Just take it easy. Robert will have signage out there suggesting 4wd areas. Pits will be dragged for the prickly bushes. A lot of the course got buffed out recently. Sunday about 50 mile loop, Saturday 15 mile.

MVDS- Bottle Creek, Winnemucca NV- Bottle Creek, permits have been submitted. Ready to go. Flyer to come next week. 45mile loop on Sunday.

- Reno Area Dirt Riders group started to coordinate group rides.
- Southern MRAN had a booth at Vegas Enduro-X. Should we do that in Reno?

NEW BUSINESS:

Rules Committee Meeting Outcome:

Proposal #1: Removal of 250cc four strokes from the 200 class. Make class 200cc and under.

Proposal #2: Removal of Team Race from Rule Book. Team race can then be put on via an exhibition race.

If team race stays in the rule book as a required race...Addition of these rules:

- 1- No club points are given in the Team Races
- 2- Only 1 alternate rider allowed from original partner signup. If you have more than 1 alternate, a new team will be started.
- 3- Team race series will be allotted 2 throw away races for the year. Lowest scores will be thrown out. (If partners are from separate clubs then they don't have to race their race that they pre-ran while marking).

Please take these to your club and we will vote at the November MRANN meeting.

Club attendance to MRANN meeting minimum? We understand people live out of town and can't make every meeting. But they can phone in info. And missing multiple meetings in a row make it difficult to conduct business.

Come join the Reno Toy Run parade! December 3rd, parade starts at noon at Reno Harley and ends at the convention center. Free Santa pictures. HUGE fund and toy raiser for kids and families in need. All bikes (including dirt) are welcome.

New Board members for next year? Robert (VP) is retiring. Ryan (Big Bike Ref) is retiring. If you would like to run, or know someone who would, please think about nominations.

Big Bike Referee- (Ryan Hyken) – All results updated, nothing new to report. Talking with MX Trophies. 2 amateur bumps.

Mini Bike Referee- (Beth Legenbauer) – All results updated, nothing new to report. Let her know if there are any mistakes in the standings.

Land Use Committee/Medical Team Report: (Dave Zotter)

All Corey Herring Scholarship recipients received money. Nice and smooth, thank you Anita and CHMC.

Med packs with new reflective embroidery. All medical supplies have been updated. MRANN will not bring more med stuff to the Golddiggers race. They will have an ambulance onsite.

No news on the Land Use front. NHVCC.org is asking for input. Go there to submit suggestions on trails.

Race report updates:

Gold Diggers M/C- Elko, NV – All set for Wells. Ambulance on site both days. Be prepared for dusty and challenging. Gonna be a great race. But not a cakewalk. City of Wells will host a BBQ on Saturday night, so please attend. Access road has been improved, but still has silty pot holes, so take it easy.

Tankslappers M/C- Purgatory, NV- Race to be at Purgatory, new stuff, old stuff. No dust! Permit submitted.

MVDS- Bottle Creek, Winnemucca NV- Bottle Creek, permits have been submitted.

All Corey Herring Scholarship moneys are being distributed to the respective schools.

Med packs with reflective tape will be ready soon. All medical supplies have been updated.

Federal USFS Chief announced that 50% of the 2017 budget has been spent on wildfires this year. By 2025, it is estimated that 76% will be spent on fires. They are trying to get congress to put wildfires under FEMA, allowing the Forest Service to use that money elsewhere.

BLM is proposed to lose 1000 jobs in the coming year. BLM reviewing the Sage Grouse plan.

National Monuments will change the acreage count. There were 1.4million comments on this issue.

Congress canceled BLM 2.0 Plan. So BLM is creating a new plan.

Race report updates:

Corey Herring M/C –Honeylake, CA- Race went well! Thanks for all the help and support. 233 riders. This is 60 more than last year. There were a few injuries on Saturday. Cases of heat stroke on Sunday. Also had to do a restart on Sunday due to marking issue. The Auction had a good turnout. They will donate money at the Banquet. No issues with scoring. We did have some Team Race guys breaking the tu-tu's in order to cheat. Also some speeding in the pits. Trophies will be ready next week.

OLD BUSINESS:

- Next meeting, we will discuss next year's schedule.
- Michelle (WSRA):
 - o Lassen lost riders and had pit riders at their race. WRSR was put on probation for these offenses. I request that Lassen be disciplined in the same way. Or that the probation be removed from WRSR.
 - o Dan: The reason for probation on WRSR is because these actions have been repeated over the years. These have been continuous repeat offenses over the last 4-5 years..
 - o The penalty for pit riding is disqualification. We need to define "pit riding" more clearly in the new rule book.
- Mike (Rimbenders):
 - o We need to promote MRANN more in the mainstream media. Perhaps a commercial? Perhaps ads on Facebook?

Mini Bike Referee- (Beth Legenbauer) – Updated points. There will be no bumps before the CHMM club race. If you think someone needs to be bumped, call Beth.

Land Use Committee/Medical Team Report: (Dave Zotter)

Corey Herring Scholarship: We have received three applications for the scholarship. The scholarship committee will meet soon to see how the money should be delegated.

Please go back to your clubs and ask that everyone checks racetalk on racemrann.com for articles and items that require public comment or voting.

Med stuff: No issues at the Lassen race. However, Dave has not yet received any med gear back. Also, the medics don't really stand out among the racers and sweeps. So Ingram has ordered new flashy stickers for the med packs.

Race report updates:

Lassen M/C- Fort Sage, CA- NA

Corey Herring M/C –Honeylake, CA- All set for Honey Lake.

Gold Diggers M/C- Elko, NV – Working on private landowners to allow the checkerboard crossing. 45 mile loop on Sunday, 25 mile loop on Saturday. Could use some cost recovery from MRANN. Lodging in Wells or Elko. If Wells doesn't work, backup plan is Winnemucca.

Tankslappers M/C- Purgatory, NV- Race to be at Purgatory, new stuff, old stuff. No dust! 52 mile loop on Sunday, 15 mile loop on Saturday. Permit has been submitted.

MVDS- Bottle Creek, Winnemucca NV- Permit has been submitted.

OLD BUSINESS:

- Fundraisers for down riders/families:
 - o Tucker Larrieu – There are couple of GoFundMe sites out there for Tucker who crashed hard and is currently paralyzed from the mid-chest area down. Any support will be greatly appreciated.
 - o Matt McKimmy – The McKimmy family had their baby earlier than expected, and being a premature baby are experiencing a lot of health problems. There is a GoFundMe site to support them.
- Trophies:

- The signup sheets at races have a place where you can circle which shop you would your trophy sent to – RMS or CMS. Clubs, if a racer chooses a particular shop, please be sure to send that trophy off to the correct shop.
- AA Class/ Pro Payback class idea:
 - \$100 entry to race in the AA class where the winner wins the pot. This is to draw in more riders.
- Course Marshal:
 - Perhaps we should use a course marshal at races to ensure the course is properly marked and staffed.
- Saturday Women's class:
 - Should we bump Expert Women from Saturday to Sunday? To encourage growth through the classes?
 - Maybe do a AA class on Saturday?
- WSRA Probation:
 - After complaints about the dual-sanctioned race, pit riding, trucks and RVS too close to the pits, and riders getting lost, the Board has put WSRA on probation. Probation meaning that next year WSRA can only run a MRANN race, must show they can put on a quality event, without the reoccurring issues.
- Bar codes?
 - Scoring seems to be an issue. Should we go to a barcode system? Like Mototalli?
 - We have tried this before, and Art got tired of being the only one doing it.

NEW BUSINESS:

- Next meeting, we will discuss next year's schedule.
- Michelle (WSRA):
 - Lassen lost riders and had pit riders at their race. WSRA was put on probation for these offenses. I request that Lassen be disciplined in the same way. Or that the probation be removed from WSRA.
 - Dan: The reason for probation on WSRA is because these actions have been repeated over the years. These have been continuous repeat offenses over the last 4-5 years..
 - The penalty for pit riding is disqualification. We need to define "pit riding" more clearly in the new rule book.
- Mike (Rimbenders):
 - We need to promote MRANN more in the mainstream media. Perhaps a commercial? Perhaps ads on Facebook?

NEW RULES: (Rule changes are attached after minutes)

- Section 10. RESULTS :
 - 2 weeks seems too long. Perhaps change it to 7 days?
 - How long do they have to pay the fees?
- Requirement of Ambulance:

- We need to define Ambulance. They mean different vehicles in different jurisdictions.
- South MRAN has 3 ambulances at every race. It is something MRANN could handle.

Please take the rule changes back to your club vote. We will vote at the next MRANN meeting on June 6th. We need 75% of the clubs present to hold a vote. And we need 75% majority to pass a vote.

Lassen Appeal:

- John Levie has paid the \$50 fee to appeal the decision of the Competition Subcommittee to disqualify John Levie for Unsportsmanlike Conduct.
- The current Rules state:
 - **Section 9. APPEALS** a. All members of MRANN may appeal to the Competition Committee any decision made by the Competition Subcommittee. This Committee will have final determination in all matters brought before it. b. The appeal must be made in writing and be accompanied by a fifty dollar (\$50.00) appeal fee. The appeal must be made within five (5) days of announcement of the Competition Subcommittee's decision.
- John Levie: Submitted a type written letter explaining his side of the story.
- Vote on whether the penalty was justified:
 - Yes: 9
 - No: 7
 - Abstained from voting: 2
- Results:
 - John is disqualified from the Lassen race. Points will be updated.

End meeting: 8: 51pm

Vice President- (Robert McAdam) – Rules Committee Meeting coming up. If you have anything you'd like to be brought up/added to the rulebook/subtracted from the rulebook, please email Robert (ktm450dezracer@aol.com) or bring your thoughts and concerns IN WRITING to the meeting on April 19 at 7pm. Location to be determined. This meeting is for changes for the 2018 season.

Also, some duplicate numbers have been issued for one-day racers. Please do not do this. It makes scoring near impossible.

All MRANN cards have been mailed out. If you have not received yours, please email Robert.

Treasurer's Report- (Anita Honea)- Current accounts are as follows:

Land Use - \$21,214

General - \$13,509

Corey Herring Memorial Scholarship - \$13,945

These numbers do not include Trailblazers revenue.

7ilmaging has contacted me about offering aerial video services to MRANN. Could be cool. Julianne will forward information along as soon as she receives it.

Big Bike Referee- (Ryan Hyken)

Class points are updated. Some clubs are sending in incomplete results. PLEASE send Ryan results with: First name, Last Name, Bike, club, class, finishing position and any DNF's. Beth has an easy spreadsheet if you would like to use it. Also, the rulebook says a club has 10 days to post results. If clubs could give the refs a couple days advance for review, that would make things run smoothly.

Mini Bike Referee- (Beth Legenbauer) – Updated points after WSRA race.

Land Use Committee/Medical Team Report: (Dave Zotter)

Trump nullified BLM planning rate 2.0, which affects BLM permits of the future. Not sure how yet. And Trump also cut \$1.5 Billion from the Department of Interior (BLM) and cut 20% from the Department of Agriculture (US Forest Service).

Corey Herring Scholarship: We have received ZERO applications for the scholarship. Please spread the word and get kids to fill out the easy application.

Please go back to your clubs and ask that everyone checks racetalk on racemrann.com for articles and items that require public comment or voting.

Med stuff: WSRA only had some minor injuries. Some cases of exhaustion. Nothing serious.

Race report updates:

Cheaters & Rimbenders M/C-Blue Wing Flat, NV- NA

WSRA- Toulon, NV- Race went well. Started on time on Saturday, somewhat behind on Sunday. 82 riders on Saturday and 125 riders on Sunday.

Lassen M/C- Fort Sage, CA- 50th Annual race out at Fort Sage. There will be three 45 mile loops. Similar to the past. Park at the Widowmaker. There are lot of washouts and rain damage – as is everywhere. Course is marked. Alt gas will be available.

Corey Herring M/C –Honeylake, CA- All set for Honey Lake. Owners have good intents for improvements.

Gold Diggers M/C- Elko, NV – Working on private landowners to allow the checkerboard crossing. 45 mile loop on Sunday, 25 mile loop on Saturday. Could use some cost recovery from MRANN. Lodging in Wells or Elko. If Wells doesn't work, backup plan is Winnemucca.

Tankslappers M/C- Purgatory, NV- Race to be at Purgatory, new stuff, old stuff. No dust! 52 mile loop on Sunday, 15 mile loop on Saturday.

MVDS- Bottle Creek, Winnemucca NV- Application to be turned in this week.

OLD BUSINESS:

- Medical Concerns:
 - o Medical Service and Transport - Most important factors are 1) the time it takes to transport the patient and 2) medications available to patient in a hurry. The REMSA "Non-profit rate" for Advanced Life Support (medics are allowed to supply pain medication) is \$175/hr, including travel time. Basic Life Support (no meds) is \$130/hr. Another issue with transporting a patient via ambulance is that they cannot leave until after the race is over in case other medical services are required. You can always call a helicopter. Calling is free. And Flight Plans are cheap. Any MRANN member can pay \$35 for a year long, family coverage, flight plan. Normally this is \$50/yr. Put "MRANN" in the group rate section of the form.
 - o Concussion Protocol – If we put a protocol in writing we will be liable for any head or related injury. Not a good plan.

NEW BUSINESS:

- Fundraisers for down riders/families:
 - o Tucker Larrieu – There are couple of GoFundMe sites out there for Tucker who crashed hard and is currently paralyzed from the mid-chest area down. Any support will be greatly appreciated.

WSRA- Do you need any help? We will have an in-pit referee. MRANN sign-ups will be there. And REMSA will be there both days.

Vice President- (Robert McAdam) – 354 MRANN cards made, so far. More on the way. Largest class on Sunday is the Open Class. Largest class on Saturday is the Women Class. There will be two Rules Committee Meetings coming up. The first one will be held April 19th at 7pm. If you would like to see any rules changed or added, please submit requests to Robert in writing. The 2017 Rulebook is being updated currently.

Treasurer's Report- (Anita Honea)- Current accounts are as follows:

Tina Boden would like a vote/approval for her company, Solid Source, to become a Hole Shot Sponsor. She and Heather Creveling (Colton Creveling) would like to be "2017 MRANN Start Sponsors". They would provide the banner for Sunday starts and give rewards to holeshot winners. This would be at no cost to MRANN. **UNANIMOUS APPROVAL AMONG BOARD.**

Big Bike Referee- (Ryan Hyken)

Class points are updated and club rosters are complete.

Mini Bike Referee- (Beth Legenbauer) – Updated points after Trailblazers race. PLEASE include primary club on Team Race results. A few kids have been bumped and signup sheets are updated.

Land Use Committee/Medical Team Report: (Dave Zotter)

California has a new bill SB249 coming out. This will gut OHV programs. There will be a hearing on 3/14. The info is on the website and included in the email blasts. This important because what happens in California usually spills over to Nevada.

Corey Herring Scholarship: The application should be up online by Friday. So please bring this back to your clubs and get kids to sign up.

Please go back to your clubs and ask that everyone checks racetalk on racemrann.com for articles and items that require public comment or voting.

Med stuff: Cheaters used a lot of supplies. Expect a bill.

Race report updates:

Trailblazers M/C- Nightingale, NV- Great race. Zero injuries. Positive reviews. 280 sign ups total. 83 on Saturday and 125 on Sunday.

Cheaters & Rimbenders M/C-Blue Wing Flat, NV- 194 total sign ups. Many injuries: 2 collarbones, 1 kneecap, few concussions. Results should be up this weekend.

WSRA- Toulon, NV- Good to go. EMTs are set up. Pay \$140/day. Dave will be there both days. Technical 30 miles. Not fast.

Lassen M/C- Fort Sage, CA- 50th Annual race out at Fort Sage. There will be 3 30 mile loops. Similar to the past. Park at the Widowmaker. There are lot of washouts and rain damage – as is everywhere.

Corey Herring M/C –Honeylake, CA- All set for Honey Lake. Owners have good intents for improvements.

Gold Diggers M/C- Elko, NV – Permit to be submitted tomorrow. The race is proposed to be in Wells, NV. Super fun area, lots of trees, guaranteed race of the year. 2004 was the last permitted race in the area. 45 mile loop on Sunday, 25 mile loop on Saturday. Could use some cost recovery from MRANN. Lodging in Wells or Elko. If Wells doesn't work, backup plan is Winnemucca.

Tankslappers M/C- Purgatory, NV- Race to be at Purgatory, new stuff, old stuff. No dust! 52 mile loop on Sunday, 15 mile loop on Saturday.

MVDS- Bottle Creek, Winnemucca NV- N/A

OLD BUSINESS:

- Keep RV's away from pits. Please use Pit Mats.

NEW BUSINESS:

- **Chuck Faul** - Med Support: We would like to see more information on the race flyers about what med support will be present at races. Also, if we could increase the quality of medical support, that would be good too. Levi couldn't get pain meds for over 3 hours. Can we ensure some sort of ambulance?
 - o **Ryan:** As of now it up to the clubs who/how much medical support to use.
- **Phil Herring** – Concussions: We need a concussion protocol. These are serious head injuries and need to be treated as such. Perhaps we could enforce school rules? Or just education about the signs of a concussion and the risks. Maybe have Josh Morros go around to clubs and give brain injury talks.
 - o **Dave:** We can use the ski racing protocol. It's very thorough and not based on the school system.
- **Chris Maas** – Please remove "Polka Dots" from the results as a club name. We don't want to confuse new MRANN members into thinking the Polka Dots are MRANN club.

WSRA- 2

President- (Dan Rankin)-

-A race's flyer is the final word. Clubs cannot change anything the day of a race, unless course must be changed for unforeseen circumstances such as weather or cows, etc. A club cannot change the fees of the race the day of the race.

-As MRANN clubs, we need to enforce the rulebook. All MRANN sanctioned races must follow MRANN rules. WSRA is a dual sanctioned race. This means both MRANN and AMA rules apply.

Robert proposed: MRANN can waive the \$10/rider fee if WSRA requires all D36 riders to buy a 1 day MRANN card. This ensures all racers will be covered by both MRANN and AMA insurance and rules. MRANN will invoice WSRA for every D36 rider after the race.

Vice President- (Robert McAdam) – 146 MRANN cards made so far. More on the way.

Treasurer's Report- (Anita Honea)- MRANN has lost our Nonprofit Tax exempt status. Taxes have not been filed since 2011. And there is only proper documentation for the past year. Per IRS tax code, we should have 7 years' worth of documentation on hand at all times.

Our registered agent is still listed as Sue Harris. For \$75/year, Anita's company will file as our registered agent and handle all paperwork necessary. **Ryan Motions to hire this company. Dave seconds. PASS.**

Secretary Report- (Julianne Zotter)

Review previous months' minutes

If you are not receiving emails about MRANN info and updates, please send Julianne or the racemrann@yahoo.com your email address to be added to the new blast.

All clubs must bring a hardcopy of club representatives and alternates to the next meeting, if they have not already done so. Clubs who still need to turn in Club Rep Rosters: Cheaters, Rimbenders, WSRA.

Big Bike Referee- (Ryan Hyken)

Race results need all important information: Name, Race Number, Race class, Club, Bike.

Incomplete results will be sent back to clubs until complete. Also, we need club rosters before the first race.

Mini Bike Referee- (Beth Legenbauer) – N/A**Land Use Committee/Medical Team Report: (Dave Zotter)**

Mineral County has been updating their multiple use county plan. They are very racer friendly and want races!

Please go back to your clubs and ask that everyone checks racetalk on racemrann.com for articles and items that require public comment or voting. The BLM is really going to enforce the use of pit mats.

Mats must be made out of a certain material-more info. to come on this.

NO CARDBOARD, must have a receptacle/non-porous container present in case there is spillage. Please check your race permits for more detailed information.

We have three MRANN Sat phones that work. Plus 3 spots. Dave will make sure they are charged and present at every race. New med packs are updated. Med packs will be at every race as well.

We need to come up with a cap on med pack replacement. We typically use \$50/race of equipment. We can invoice clubs after the race for supplies use. We are also instituting a \$20/club/race to maintain the side-by-side.

Race report updates:

Trailblazers M/C- Nightingale, NV- Close to approval. Thomas visited the site with the new BLM agent last week. The course is a 100 mile one way Hare and Hound. Unless it snows. Then, we may need to adjust the second loop. Hopefully dust free! Mini course is 20 miles long and less likely to have snow.

Cheaters & Rimbenders M/C-Blue Wing Flat, NV- N/A

WSRA- Toulon, NV- BLM to meet with Brandon in two weeks. 30-mile loop, 3 hour race. Saturday will be a 10-mile loop.

Lassen M/C- Fort Sage, CA- Working on permits.

Corey Herring M/C –Honeylake, CA- All set for Honey Lake. Owners have good intents for improvements.

Gold Diggers M/C- Elko, NV – N/A

Tankslappers M/C- Purgatory, NV- Race to be at Purgatory, new stuff, old stuff. No dust!

MVDS- Bottle Creek, Winnemucca NV- N/A

NEW BUSINESS:

- **Amy Delaney:** Banquet went well. Good feedback on food and venue. Raffle earned \$1600+ in 2 hours for the Corey Herring Scholarship fund. Recipients of scholarship received giant cardboard checks, which makes for good pictures and boosts the word for the scholarship. DJ was good, but maybe not worth it. Photographer was good and fun.
- There should be an item racers exchange for the team race to ensure that each team is switching riders every lap. Something like a scrunchy or a big pair of underwear. NOT a piece of safety equipment like boots or gloves. This will be up to each club to decide.
- Jim Northy from Beckworth has 3000 acres he would like to offer to MRANN for races. He needs us to score and put on the race, but we can use his property. More information on RaceTalk under “Magoo’s sprint enduro” title.
- Corey Herring Scholarship applications will be up in March. Please apply early so scholarships can be announced at graduation.

Meeting Adjourned at: 7:49 pm

Next Meeting: March 7th, 7pm, Blind Onion on Victorian Ave.

NEW UPDATE: RACE DATE CHANGES HAVE BEEN VOTED ON AND ARE FINAL!

Club representatives of Rimbenders/Cheaters made a motion to have their Cheater/Rimbender race on back to back weekends in 2017 due to BLM permitting issues as follows:

Cheaters/Rimbenders-3/4/17 & 3/5/17 and then WSRA 3/11/17 & 3/12/17.

Club votes- (2) NO.....(6) YES- APPROVED, THESE TWO RACES ARE BACK TO BACK.

2017 Banquet:

Banquet tickets will be on sale as of October 29th!

January 14, 2017 at the Nugget in Sparks, NV. Deposit has been made. We have reserved a DJ. We will be awarding Sportsman of the Year, Family of the Year and also recognizing current board members and introducing incoming board members. We will have security at the door this year, only allowing ticket holders' access to the banquet hall.

The group code to reserve hotel rooms is: GMRAN, no discounted room rates will be available after 1/4/17. NO TICKET SALES AT THE DOOR!

NOMINATIONS FOR THE FOLLOWING:

Family of the Year- The Morris Family & The Tichenor Family

Sportsman of the Year- Dave Zotter, Ricky Dahlberg, Chrystal Ponsock, & Donavyn Morris

Race of the Year- Determined by racers that raced 100% of the races all year.

Most Improved (Mini)- Carson Calder, Zach Geddry, & Jesse Miller

Most Improved (Big-bikes)- Donavyn Morris, Austin Wilson, & Jake Himphill

CONGRATULATIONS TO THE WINNERS for the 2017 MRANN Board Positions:

President- Dan Rankin

Vice President- Robert McAdam (With an 8-6 vote)

Treasurer- Anita Honea

Secretary- Julianne Zotter

Land Use Rep.- Dave Zotter

Big bike referee- Ryan Hyken

Mini bike referee- Beth Legenbauer (With 7-4 vote)

RULE BOOK CHANGES!

2016 MRANN Subcommittee for rule updates:

Amendments to the current rules (mostly clarifications):

1. Page 1: Remove the word '*the*' from the opening sentence to make the sentence clearer.
2. Add Land Use office back into the rules, where applicable:
 - a. Page 3, Section 1
 - b. Page 4, Section 2
 - c. Page 4, Section 6
 - d. Page 8, Section 1
3. Article 2, Section 5 (competition committee membership votes): We discussed if we should include some sort of penalty in the rules for clubs that do not send representation at the meetings. Currently, the wording is not very direct. Consideration should be taken for clubs that do not live in close proximity to the area (e.g.; Golddiggers MC)
4. Article 5, Section 2 (division classification): We discussed to remove vintage (keep it to just bomber).
5. Article 5, Section 2 (O)-Remove the stipulation that riders have '*until the day of the MRANN banquet*' to obtain a number. It was mostly unanimous that this wording should be removed from the rules as riders will either have an earned number or can obtain a number on first come first serve basis (i.e.; turn your MRANN forms in early!).
6. Article 5, Section 3 (f): Ryan recommended 3 years (i.e.; advancement points)
7. Article 5, Section 4: Add team race rules (depending on if a team race class is voted in for 2017)
8. Article 5, Section 9 (q): Change the word '*board*' to '*competition committee*' (no rebuttal from anyone about this at the meeting).
9. Article 5, Section 14 (*b* and *d*): Change the maximum allowable race entry fee to \$60
10. Article 5, Section 16 (d): Currently states that '*club representatives missing two consecutive competition committee meetings may lose extra club points and up to 50% of total club points*'.

It was discussed at the meeting that we should make this statement more direct and clear. Should we say 'will' (instead of 'may'). And also, this should be updated to clarify that the club will lose the points (not just the representative).

Other items for Consideration:

1. **Team Race:**

It was discussed if we want to vote 'yes' to have team race class. If yes, then we will have set rules in the MRANN rules book for set class.

Should MRANN continue the team race for 2017?

Yes-5.....VOTE IS YES (SEE LIST OF RULES BELOW)

No-4

TEAM RACE RULES:

- *1 hr Minimum to 1.5 hr Maximum for leader
- *2 Rider Minimum and Maximum
- *Must switch riders every lap
- *Clubs will trophy top 3 O/A Teams (2 trophies per team)
- *Points scored for top 20 finishers
- *End of season award to #1 O/A team
- *Earned #'s can be run the following year
- *80cc and above
- *\$40 entry fee (\$20 per rider)

2. **Entry Fee's:**

The max entry fee a club can charge must include the cost of scoring. A club cannot charge an additional fee for scoring above the max entry fee.

Yes- 5.....VOTE IS YES. A CLUB MAY NOT CHARGE EXTRA FOR SCORING/BAR CODES ETC.

No-1

3. **Club Points:**

Club points should be awarded to all riders that pay an entry fee. If you DNF or DQ you still earn your club points.

Yes-1

No-5.....VOTE IS NO. RIDERS WILL NOT EARN CLUB POINTS IF THEY EARN A DNF OR A DQ.

4. **EMS:**

We need an official Check-in and Check-out process here still (this really is not a change in rule-just a matter of making equipment availability more fluid for all the clubs). We may put some sort of penalty in place for clubs that fail to return equipment (or fail to return in good order). Jeopardy of losing points was one idea that came up.

5. **Protests:**

The Club(s) handing down the penalty should not also be a part of the competition committee (They can still be present to state their case-they just cannot vote).

Yes-4

No-5.....VOTE IS NO. CLUBS INVOLVED IN ISSUING A PROTEST WILL BE ALLOWED TO VOTE.

6. Dual Sanction Events:

It will be assumed that MRANN rules will prevail in all multi-sanctioned events unless voted on otherwise prior to the event.

Yes-5....VOTE IS YES. MRANN WILL CONTINUE TO HOST DUAL SANCTION EVENTS UNLESS VOTED ON PRIOR TO THE EVENT.

No-N/A

President- (Dan Rankin)-

Some ranch manager in Beckworth, CA called Dan to discuss a new race area. He has 32 miles of trails and wants to do sprint enduro's. He wants MRANN to run the race for him. He holds other events.

Refs: Appoint someone in the pits to be a Ref if you are out on course or otherwise not on site.

Vice President- (Robert McAdam) – NA

Treasurer's Report- (Anita)- NA

Secretary Report- (Julianne Zotter) - NA

Big Bike Referee- (Ryan Hyken)-

All points are updated.

Bump points are current as of November.

Year-end trophies are good to go.

Need club rosters to standardize results. Ryan has template form with bike number, name, club, bike type.

Mini Bike Referee- (Beth Legenbauer)-

Points are updated.

Bump list is out.

Land Use Committee Report: (Dave Zotter)-

Flyer with news on each table at banquet. Looks at Racetalk, some topics are time sensitive. We plan to morph Land Use and Medical together, since it's the same guy.

Keep gear locked up and taken care of. Storage unit: MRANN trailer, side-by-side, all locked inside with a sign out sheet. If a club breaks MRANN equipment they need to fix it/pay for it.

Race report updates:

Trailblazers M/C- Nightingale, NV- Haven't been to the site since the snow. BLM on track. Permit scheduled for the end of January. January 29th: BLM and Thomas plan to visit site. 1st loop = 52 miles. 2nd loop = 48 miles. 7500' elevation at downhill, so snow is a concern. They do have plan B's.

Cheaters & Rimbenders M/C-Blue Wing Flat, NV- No news.

Lassen M/C- Wendel, CA- No news

Corey Herring M/C –Honeylake, CA- Honey lake race area has a new well. Pump to be installed in March. Honey lake race is a Go!

Herring to meet owner next week to discuss races and equipment. Owner bought a small dozer and water truck. Goal is to have more races after the CHM race.

Gold Diggers M/C- Elko, NV – NA

WSRA- NA

Tankslappers M/C- Nightingale, NV- Race to be in Purgatory. New stuff. Secrets.

Rimbenders M/C & Cheaters M/C- Moonrocks, NV- Looks good, still waiting on official permits. The Moonrocks area will NOT be a closed area, so prepare for heavy traffic, rock crawlers etc. to be using the area as well. There will be a costume contest for riders and there will be a contest for the best decorated camp site. Both contests will have great prizes!

MVDS- Bottle Creek, Winnemucca NV- No news

Dan Rankin- Made a motion to require a \$20 fee for use of the MRANN side-by-side to cover maintenance. Herring- 2nd motion.
CLUB VOTES: UNANIMOUS YES. APPROVED

MISC 1: Satellite phones: The bill was paid. There was a hardware issue causing them to break. They work now. We have 1 new phone and 2 personal ones.

MISC 2: Stacy Engrim: \$49/yr for same careflight plan plus fixed wing insurance. Let's put this on the website. REMSA is way more money to fly fixed wing. This offer is double the service for less money. And can be used for any emergency, not just motorcycle related.

MISC 3: Post Office box is back up. May want to let people know if their MRANN cards were returned.

President- (Chris Maas)-

Blu-Cru money is in. Final banquet award winners have been determined based upon results. The board will vote on family of the year once nominations are made this meeting. Other awards such as race of the year and sportsman of the year will be announced at the banquet. Rider count is way up from 2015 race season. Rider count in 2015 was: 1,214 and in 2016 it was: 1,780.

Some of the increase came from the team race (+200) and the Halloween Rimbender race (+219)

Every club had an increase in rider count during the 2016 season!

Vice President- (Steve Tichenor) –

MVDS had a good race, a couple of 1-day MRANN cards at the last event.

See below for rule changes that will be voted on.

Treasurer's Report- (Keith Serpa)- General Fund-\$12,303.....Land Use-\$18,581.....CH-\$9,935

Keith made a recommendation to the 2017 board members that a portion of the overage of money in the general fund after banquet expenses, will be split and allocated to the land use fund & Corey Herring Memorial Scholarship.

Land Use Committee Report: (Dave Zotter)

Please go back to your clubs and ask that everyone checks racetalk on racemrann.com for articles and items that require public comment or voting. The BLM is really going to enforce the use of pit mats. Mats must be made out of a certain material-more info. to come on this. NO CARDBOARD, must have a receptacle/non-porous container present in case there is spillage. Please check your race permits for more detailed information.

Race report updates:

Trailblazers M/C- Nightingale, NV- Race went well, positive feedback, some injuries, one careflighted, another with a hurt shoulder and a knee injury. 212 total riders this year. Last year 218 total riders.

Cheaters & Rimbenders M/C-Blue Wing Flat, NV-197 total riders, 13 teams, a lot of riders were positive and happy about the course. One rider careflighted for broken arms, other injuries that required the use of MRANN's medical equipment. Rider count was up by 40 from last year. Everyone kept a very clean camp.

Lassen M/C- Wendel, CA- Rider count for MRANN was up 10% this year from last year, team race is helping with that increase. Lassen had 208 total riders this year and 186 last year. There were some minor injuries. The SAT phones were unable to call out. The country code needs to be dialed before calling out or it will not work. SPOT Trackers were NOT used. It was mentioned that MRANN needs to make a quick guide that stays with the SAT phones and the SPOT Trackers so anyone can use the devices if in need.

Corey Herring M/C –Honeylake, CA- Rider count in 2015 was 178. In 2016, the rider count was up with a total of 317. There were 54 team racers at this event. The location change seemed to help increase the number of riders this year. There was an issue regarding the dust, because there wasn't enough water. The track owners are more open to getting the necessary resources for next years' race. There were 9 injuries at the CHMMC race. Discussed sweepers that were on the track at the same time as the mini's.

Gold Diggers M/C- Elko, NV – Race went well, there were some scoring challenges on Saturday. 1 rider was flown out and is healing. There were 12 teams for the team race, 26 pee-wee's, 16 mini's, 17 women and 3 bombers. 85 riders on Sunday and 74 on Sat.

****A rider was DQ'd for cutting course. A protest was made by rider S.T, and the sub-committee reversed the clubs decision from a DQ to docking the rider 5 positions instead.**

WSRA- Toulon, NV- Saturday had 69 mini's, 25 teams. Sunday had 77 riders. Saturday went well, Sunday there were issues with one turn that was not re-marked. This created a problem because riders were doing the wrong loops. WSRA apologizes to all of the riders and pit crews that were affected by this. Thank you to RMS and CMS for sponsoring.

Tankslappers M/C- Nightingale, NV- East side of the road, permits are in.

Paperwork was submitted again because BLM officer retired recently who was working on it. Permit should be issued by Thursday prior to the race.

The club did not put on the team race event. There were no major injuries. 134 total riders, for both days.

Rimbenders M/C & Cheaters M/C- Moonrocks, NV- Looks good, still waiting on official permits. The Moonrocks area will NOT be a closed area, so prepare for heavy traffic, rock crawlers etc. to be using the area as well. There will be a costume contest for riders and there will be a contest for the best decorated camp site. Both contests will have great prizes!

The race was a success. There were 200 entries. One major injury was a club member/sweeper heading to his check. He crashed and broke both wrists. Discussion-MVDS won the Halloween campsite contest! \$500 gift cert. from RMS. There were issues with the cost of the team race. The flier stated the cost was \$40 and the Rimbenders charged \$60. There were a couple of people who felt this was not an oversight or mistake on the flier, and was an intentional act. Some people paid \$40 and some paid \$60, based on if they had a flier or not. This put MRANN in a bind as people were questioning the ethics of the club. There was also confusion whether or not the team race was supposed to be a 4 lap race or as many as the team can do in 1 hour and 30 mins.

MVDS- Bottle Creek, Winnemucca NV- Permit will be given to MVDS Friday for Bottle Creek. Great race! Very organized and streamlined. There were 3 injuries. Broken collarbone, bruised ribs, & hurt shoulder. The club gave away \$3,500 in money and prizes. They also had a potluck for everyone who camped and made it an amazing dinner and gathering for all. There were 155 riders total for the weekend.

Big bike referee- Ryan Hyken

Mini bike referee- Beth Legenbauer (With 7-4 vote)

RULE BOOK CHANGES!

2016 MRANN Subcommittee for rule updates:

Amendments to the current rules (mostly clarifications):

1. Page 1: Remove the word '*the*' from the opening sentence to make the sentence clearer.
2. Add Land Use office back into the rules, where applicable:
 - a. Page 3, Section 1
 - b. Page 4, Section 2
 - c. Page 4, Section 6
 - d. Page 8, Section 1

3. Article 2, Section 5 (competition committee membership votes): We discussed if we should include some sort of penalty in the rules for clubs that do not send representation at the meetings. Currently, the wording is not very direct. Consideration should be taken for clubs that do not live in close proximity to the area (e.g.; Golddiggers MC)
4. Article 5, Section 2 (division classification): We discussed to remove vintage (keep it to just bomber).
5. Article 5, Section 2 (O)-Remove the stipulation that riders have '*until the day of the MRANN banquet*' to obtain a number. It was mostly unanimous that this wording should be removed from the rules as riders will either have an earned number or can obtain a number on first come first serve basis (i.e.; turn your MRANN forms in early!).
6. Article 5, Section 3 (f): Ryan recommended 3 years (i.e.; advancement points)
7. Article 5, Section 4: Add team race rules (depending on if a team race class is voted in for 2017)
8. Article 5, Section 9 (q): Change the word '*board*' to '*competition committee*' (no rebuttal from anyone about this at the meeting).
9. Article 5, Section 14 (b and d): Change the maximum allowable race entry fee to \$60
10. Article 5, Section 16 (d): Currently states that '*club representatives missing two consecutive competition committee meetings may lose extra club points and up to 50% of total club points*'. It was discussed at the meeting that we should make this statement more direct and clear. Should we say '*will*' (instead of '*may*'). And also, this should be updated to clarify that the club will lose the points (not just the representative).

Other items for Consideration:

1. **Team Race:**

It was discussed if we want to vote 'yes' to have team race class. If yes, then we will have set rules in the MRANN rules book for set class.

Should MRANN continue the team race for 2017?

Yes-5.....VOTE IS YES (SEE LIST OF RULES BELOW)

No-4

TEAM RACE RULES:

- *1 hr Minimum to 1.5 hr Maximum for leader
- *2 Rider Minimum and Maximum
- *Must switch riders every lap
- *Clubs will trophy top 3 O/A Teams (2 trophies per team)
- *Points scored for top 20 finishers
- *End of season award to #1 O/A team
- *Earned #'s can be run the following year
- *80cc and above
- *\$40 entry fee (\$20 per rider)

2. Entry Fee's:

The max entry fee a club can charge must include the cost of scoring. A club cannot charge an additional fee for scoring above the max entry fee.

Yes- 5.....VOTE IS YES. A CLUB MAY NOT CHARGE EXTRA FOR SCORING/BAR CODES ETC.

No-1

3. Club Points:

Club points should be awarded to all riders that pay an entry fee. If you DNF or DQ you still earn your club points.

Yes-1

No-5.....VOTE IS NO. RIDERS WILL NOT EARN CLUB POINTS IF THEY EARN A DNF OR A DQ.

4. EMS:

We need an official Check-in and Check-out process here still (this really is not a change in rule-just a matter of making equipment availability more fluid for all the clubs). We may put some sort of penalty in place for clubs that fail to return equipment (or fail to return in good order). Jeopardy of losing points was one idea that came up.

5. Protests:

The Club(s) handing down the penalty should not also be a part of the competition committee (They can still be present to state their case-they just cannot vote).

Yes-4

No-5.....VOTE IS NO. CLUBS INVOLVED IN ISSUING A PROTEST WILL BE ALLOWED TO VOTE.

6. Dual Sanction Events:

It will be assumed that MRANN rules will prevail in all multi-sanctioned events unless voted on otherwise prior to the event.

Yes-5....VOTE IS YES. MRANN WILL CONTINUE TO HOST DUAL SANCTION EVENTS UNLESS VOTED ON PRIOR TO THE EVENT.

President- (Chris Maas)-Trophy proofs have been submitted for our banquet and will be finalized soon. Sportsman of the year, Family of the year, board members etc. Chris has also applied for the Blu-Cru incentive program and will be able to update once more information is available.

Vice President- (Steve Tichenor) We had a rule/sub-committee meeting prior to tonight's MRANN meeting to go over and discuss potential rule changes. Please view and take the attached page back to your clubs and decide where your club stands on each potential change. **Dan Rankin made a motion to take this information to the clubs and Tom Chattin seconds this motion.** This information will be decided in December's meeting in order to be in effect for the 2017 race season.

The team race is continuing to enhance participation on Saturday.

Treasurer's Report- (Keith Serpa)- General Fund-\$11,702.....Land Use-\$17,888.....CH-\$8,840

Secretary Report- (Amy DeLaney) Previous months minutes

Ryan motions to approve October's meeting minutes, Ed seconds the motion. All approved.

Big Bike Referee- (Ryan Hyken)

All points are updated except for the ones that need to be fixed from WSRA.

Year-end trophies are in progress.

Club Presidents, if there are mistakes or someone is requesting to be bumped please contact Ryan Hyken. Please check the spelling of names as we are trying to limit errors on trophies, etc.

Mini Bike Referee- (Seth Williams)

A mom approached me at the TS race who was pretty upset because her child, 65 novice 223Y, had been forced to ride the Mini loop at the WSRA race. Good news is he did not get lost, bad news is he wrecked with a minor injury, DNF'd and was scared to race again. Mom said she was not able to make TS race so sent son with her dad (grandpa) so he could race. The grandpa tried to sign up the boy on the Pee Wee course but was told he had to ride the Mini loop because he was on a 65 (I spoke to the grandpa also). With the chaos we saw at WSRA, I cannot deny this mistake happened.

I looked at the race results for the races he participated in prior to WSRA and averaged them which effectively gave him a second place finish for the novice class which equates to 130 points. The WSRA Saturday results show a 65 AM DNF for 223Y and the points will show 130 points for the same race. This addition of points does not impact any trophy standings as the boy has only raced three times and is not a club member.

Happy ending, he came out for TS race and won 1st in the 65 Novice class.

Land Use Committee Report: (Dave Zotter)

Nothing new since last meeting. Tina will post AMA's ideas on how to support the dirt bikers' stance. They give political insight on who to vote for in NV. to back our sport etc.

California OHV committee is trying to keep its own entity. We want to be aware of what's going on so it doesn't transfer over to Nevada. Please visit savecaliforniaohv.com and discuss it with your clubs and vote. Dave will contact Tina about putting it on the MRANN site.

Race report updates:

Trailblazers M/C- Nightingale, NV- Race went well, positive feedback, some injuries, one careflighted, another with a hurt shoulder and a knee injury. 212 total riders this year. Last year 218 total riders.

Cheaters & Rimbenders M/C-Blue Wing Flat, NV-197 total riders, 13 teams, a lot of riders were positive and happy about the course. One rider careflighted for broken arms, other injuries that required the use of MRANN's medical equipment. Rider count was up by 40 from last year. Everyone kept a very clean camp.

Lassen M/C- Wendel, CA- Rider count for MRANN was up 10% this year from last year, team race is helping with that increase. Lassen had 208 total riders this year and 186 last year. There were some minor injuries. The SAT phones were unable to call out. The country code needs to be dialed before calling out or it will not work. SPOT Trackers were NOT used. It was mentioned that MRANN needs to make a quick guide that stays with the SAT phones and the SPOT Trackers so anyone can use the devices if in need.

Corey Herring M/C –Honeylake, CA- Rider count in 2015 was 178. In 2016, the rider count was up with a total of 317. There were 54 team racers at this event. The location change seemed to help increase the number of riders this year. There was an issue regarding the dust, because there wasn't enough water. The track owners are more open to getting the necessary resources for next years' race. There were 9 injuries at the CHMMC race. Discussed sweepers that were on the track at the same time as the mini's.

Gold Diggers M/C- Elko, NV – Race went well, there were some scoring challenges on Saturday. 1 rider was flown out and is healing. There were 12 teams for the team race, 26 pee-wee's, 16 mini's, 17 women and 3 bombers. 85 riders on Sunday and 74 on Sat.

****A rider was DQ'd for cutting course. A protest was made by rider S.T, and the sub-committee reversed the clubs decision from a DQ to docking the rider 5 positions instead.**

WSRA- Toulon, NV- Saturday had 69 mini's, 25 teams. Sunday had 77 riders. Saturday went well, Sunday there were issues with one turn that was not re-marked. This created a problem because riders were doing the wrong loops. WSRA apologizes to all of the riders and pit crews that were affected by this. Thank you to RMS and CMS for sponsoring.

Tankslappers M/C- Nightingale, NV- East side of the road, permits are in.

Paperwork was submitted again because BLM officer retired recently who was working on it. Permit should be issued by Thursday prior to the race.

The club did not put on the team race event. There were no major injuries. 134 total riders, for both days.

Rimbenders M/C & Cheaters M/C- Moonrocks, NV- Looks good, still waiting on official permits. The Moonrocks area will NOT be a closed area, so prepare for heavy traffic, rock crawlers etc. to be using the area as well. There will be a costume contest for riders and there will be a contest for the best decorated camp site. Both contests will have great prizes!

The race was a success. There were 200 entries. One major injury was a club member/sweeper heading to his check. He crashed and broke both wrists. Discussion-MVDS won the Halloween campsite contest! \$500 gift cert. from RMS. There were issues with the cost of the team race. The flier stated the cost was \$40 and the Rimbenders charged \$60. There were a couple of people who felt this was not an oversight or mistake on the flier, and was an intentional act. Some people paid \$40 and some paid \$60, based on if they had a flier or not. This put MRANN in a bind as people were questioning the ethics of the club. There was also confusion whether or not the team race was supposed to be a 4 lap race or as many as the team can do in 1 hour and 30 mins.

MVDS- Bottle Creek, Winnemucca NV- Permit will be given to MVDS Friday for Bottle Creek.

OLD BUSINESS:

Discussion for Gold Diggers- Medical/ambulance.

Notifying riders on the flier and entry forms with the type of medical transport and personnel available. Re-visit REMSA/medical sweeps @ sub-committee meeting in November. MRANN will need to ensure this information is on the flier before approval.

Discussion for WSRA- Continuing Dual Sanction?

Live engine vs. dead engine

There will need to be hard set rules if we move forward this way.

D36-restricted their rules to accommodate their riding areas.

Clubs need to be put in a position to be successful to put on reasonable races, backing down mileage to do so if necessary and the rules need to be streamlined and structures.

Discussion for Tankslappers- The team race will not happen at their race. When this was voted on in December of 2015, only 4/9 clubs were present at the meeting to vote. Per MRANN rules, 75% of clubs need to be present to decide. It was suggested that club points from all Tankslappers would be revoked if the team race was not put on by the club. It was unanimously decided that club points for the Tankslappers that would participate in the team race would be penalized just for the team race, and no other club members would have points revoked for this action.

The sub-committee will be discussing whether or not the team race will continue in 2017, and if it does, the rules will be laid out explicitly.

***Secure your personal items at races- Several trucks were spotted coming in and out of the Moonrocks pit area, looking suspicious. There were stolen generators, helmets, gas cans and damage done to trailers/trucks at the Trailblazers race. Please keep an eye on your camp and the people who are wandering around in the pits. Unfortunately, this has continued to be a concern at other race locations as well.

Corey Herring Scholarship- 4 Scholarship winners have been determined!
Congratulation to: Jason Alosi-\$1000 (UNR), Jordan Herring- \$1000 (TMCC),
Elle Thomas- \$500 (UNR), Jacob Ayala-\$500 (TMCC)

2017 TENTATIVE RACE SCHEDULE-

* February 4-5.....Cheaters M/C & Rimbenders M/C???

* February 18-19.....Trailblazers M/C

* March 11-12.....Western States

* April 8-9.....Lassen M/C

* June 17-18.....Corey Herring M/C

* September 9-10.....Gold Diggers M/C

* October 14-15.....Tankslappers M/C

* October 28-29.....Rimbenders M/C & Cheaters M/C

* November 11-12.....Mason Valley Dirt Squirts

UPDATE: WE HAVE A POTENTIAL DATE ISSUE AND NEED RESOLUTION. RIMBENDER AND CHEATER RACE NEEDS TO BE FEB. 25/26 DUE TO PERMIT AND WEATHER. DAN RANKIN WILL TAKE BACK TO TRAILBLAZERS AND SEE IF WE CAN RESOLVE THIS ISSUE.

NEW UPDATE: DATE CHANGES ARE CURRENTLY UNDER REVIEW.

Medical Equipment- (Seth Williams) The original estimate was around \$2,500. It actually came in less than expected at \$1,500. Clubs will have the option of providing EMT's at their race instead of hiring REMSA. Equipment will be ready by the Trailblazers race. Seth will give Tina fillable check out forms for the MRANN site. Gear will be stored at RMS and ZERO club points will be awarded for any lost, stolen, or damaged equipment that is not reported.

*We need to replenish and beef up our medical supply inventory.

MRANN Banquet- (Amy DeLaney) We will be looking in to having the banquet at The Nugget on January 14, 2017. More details to follow.

MRANN Family fun days-(Team Grease)- Postponed

Protest- A racer (CM) was docked 5 positions because the race course worker (RS) claims that the rider unsafely came through the stop check making contact with the course worker. The racer is challenging the clubs decision to impose this penalty. The sub-committee was formed, and statements were submitted from the racer and also the course worker. Club representatives had the opportunity to

discuss and determined that the original determination the club made was valid and upheld. 7 voted yes to allow the original determination to stand, and 2 voted to dismiss the appealed determination. Club Presidents need to remind members, racers, workers to use caution while entering and exiting checks as well as course workers moving out of the way quickly.

****Discussion- Etiquette checklist****

- **Media-** Club members need to get on Race Talk on the MRANN site frequently and check for time sensitive information and items requiring voting.
- **Medical-** (Chris Ingram) We currently have 3 medical backpacks that are in need of replacement due to broken zippers. We should also have 4 backpacks instead of 3, to accommodate all of the supplies necessary. The cost is \$160 wholesale, \$215 retail each.

Ryan Hyken made a motion to purchase 4 new medical backpacks to replace the broken backpacks. This motion was 2nd by Steve Tichenor. This motion was all approved.

- Possibility to purchase more SAT phones vs. SPOT.
- People are having a difficult time locating where the medical staff is stationed in the pits. In order to stand out more, there was a suggestion to get medical flags or magnets that affix to the vehicles, to help locate medical staff more quickly and efficiently. No decision made at this time to purchase items.
- A potential rule to all clubs was discussed. (Must have a designated and marked area for medical staff and equipment at each race) No voting occurred to make this official.
- We need to come up with a standardized comprehensive plan, when utilizing medical staff and supplies. Need to discuss access points for vehicles/care flight to reach injured riders, prior to race.

- Discussion: How does a club from another state become established here?

(Representatives from the Polka-Dots MC attended the meeting)

The process is as follows: It needs to be presented to the board, a written proposal needs to also be sent to the board, with a plan stating the date/sanctioning/permits already in hand from the BLM or private property. Club is responsible to uphold all requirements under MRANN such as: Santi-Huts, Communication, Medical etc. and also be voted in by each club already affiliated with MRANN.

Discussed rider support: Enhance rider safety with communication, medical supplies/back packs & Care Flight.

NEW BUSINESS:

MOTIONS:

Tom Chattin- Made a motion to NOT continue dual sanction races. Ronnie 2nd motion.

Revised Motion: Beth- Dual sanctioned races should be voted on prior to approval. Ricky D- 2nd motion.

Crystal made a motion to allow the Top 10 for Saturday mini/women to run different colored backgrounds like the big bikes on Sunday. (Colors TBD if approved) Penny H-2nd motion.

Tom Chattin- Made a motion for 2-4 new Satellite phones. WE WILL TROUBLESHOOT CURRENT SAT. PHONES AND REVISIT THIS MOTION AFTER DETERMINATION OF CURRENT DEVICES ARE MADE.

2017 TENTATIVE RACE SCHEDULE-

- * February 18-19.....Trailblazers M/C
- * March 4-5.....Rimbenders/Cheaters M/C
- * March 11-12.....Western States
- * April 8-9.....Lassen M/C
- * June 17-18.....Corey Herring M/C
- * September 9-10.....Gold Diggers M/C
- * October 14-15.....Tankslappers M/C
- * October 28-29.....Rimbenders M/C & Cheaters M/C
- * November 11-12.....Mason Valley Dirt Squirts

UPDATE: Rimbenders & Cheater M/C have decided to move their race date to March 4th and 5th, which still requires club votes to put on a back to back race the weekends of March 4 -5, then WSRA race would be March 11-12. WE WILL VOTE ON THIS AT THE DECEMBER MEETING AND MAKE IT FINAL!

2017 Banquet: Banquet tickets will be on sale as of October 29th!

January 14, 2017 at the Nugget in Sparks, NV. Deposit has been made. We are still in the process of reserving a DJ. We will be awarding Sportsman of the Year, Family of the Year and also recognizing current board members and introducing incoming board members. We will have security at the door this year, only allowing ticket holders' access to the banquet hall. In order to cover increasing banquet costs.

A motion was made by Jack to increase the cost of adult tickets from \$30 per person to \$35 per person and the child's ticket will remain the same at \$15 per ticket. This motion was second by Phil H. and all clubs in attendance approved this action unanimously.

WE NEED NOMINATIONS FOR THE FOLLOWING:

Family of the Year-

Sportsman of the Year-

Race of the Year- Determined by racers that raced 100% of the races all year.

CONGRATULATIONS TO THE WINNERS for the 2017 MRANN Board Positions:

President- Dan Rankin

Vice President- Robert McAdam (With an 8-6 vote)

Treasurer- Anita Honea

Secretary- Julianne Zotter

Land Use Rep.- Dave Zotter

Big bike referee- Ryan Hyken

Mini bike referee- Beth Legenbauer (With 7-4 vote)

Medical Equipment: (Seth) We need to continue to beef up medical supplies in order to provide the service that REMSA provides. (More splints, hot packs, cold packs, saline and gauze)

****NEED BAG VALVE MASKS****

Chris Ingram-Everyone loves the backpacks that were purchased by MRANN this year.

We need a better check in/out system for all of the equipment for next year, possibly an alternate location to keep supplies and side-by-side. The satellite phones are in need of updating or buying new ones as the current devices do not work. Battery issue? Needs update? Dave, Keith and Chris are going to look into this issue.

Discussion- How to best use the devices we currently have and where will they be stationed to cover the entire race course, so there aren't any gaps in the event of an emergency. Who pays for the charges if there are any incurred? MRANN or the club?

POTENTIAL RULE BOOK CHANGES!

PLEASE VOTE ON THE FOLLOWING RULE CHANGES AND BE READY AT THE DECEMBER MEETING TO FINALIZE.

2016 MRANN Subcommittee for rule updates:

Here is a list of what we discussed at the November meeting. Thanks everyone for your time and input. Please take these points back to your club so that at the December meeting, we can come to a vote on all of them. Please get in touch with me if there are any questions.

Amendments to the current rules (mostly clarifications):

1. Page 1: Remove the word '*the*' from the opening sentence to make the sentence clearer.
2. Add Land Use office back into the rules, where applicable:
 - a. Page 3, Section 1
 - b. Page 4, Section 2

It was mostly unanimous that this wording should be removed from the rules as riders will either have an earned number or can obtain a number on first come first serve basis (i.e.; turn your MRANN forms in early!).
6. Article 5, Section 3 (f): Ryan recommended 3 years (i.e.; advancement points)
7. Article 5, Section 4: Add team race rules (depending on if a team race class is voted in for 2017)
8. Article 5, Section 9 (q): Change the word '*board*' to '*competition committee*' (no rebuttal from anyone about this at the meeting).
9. Article 5, Section 14 (*b* and *d*): Change the maximum allowable race entry fee to \$60
10. Article 5, Section 16 (d): Currently states that '*club representatives missing two consecutive competition committee meetings may lose extra club points and up to 50% of total club points*'. It was discussed at the meeting that we should make this statement more direct and clear. Should we say '*will*' (instead of '*may*'). And also, this should be updated to clarify that the club will lose the points (not just the representative).

Other items for Consideration:

1. Meeting Minutes are to be posted within 1 week of each MRANN meeting. In addition, results and trophies should have some sort of defined time line (currently there is none).
2. It was discussed if we want to vote 'yes' to have team race class. If yes, then we will have set rules in the MRANN rules book for set class.
3. Entry Fee's – The max entry fee a club can charge must include the cost of scoring. A club cannot charge an additional fee for scoring above the max entry fee.
4. Club Points – Club points should be awarded to all riders that pay an entry fee. If you DNF or DQ you still earn your club points.

Land Use Committee Report: (Dave Zotter)

California OHV committee is trying to keep its own entity. We want to be aware of what's going on so it doesn't transfer over to Nevada. Please visit savecaliforniaohv.com and discuss it with your clubs and vote. Dave will contact Tina about putting it on the MRANN site.

Race report updates:

Trailblazers M/C- Nightingale, NV- Race went well, positive feedback, some injuries, one careflighted, another with a hurt shoulder and a knee injury. 212 total riders this year. Last year 218 total riders.

Cheaters & Rimbenders M/C-Blue Wing Flat, NV-197 total riders, 13 teams, a lot of riders were positive and happy about the course. One rider careflighted for broken arms, other injuries that required the use of MRANN's medical equipment. Rider count was up by 40 from last year. Everyone kept a very clean camp.

Lassen M/C- Wendel, CA- Rider count for MRANN was up 10% this year from last year, team race is helping with that increase. Lassen had 208 total riders this year and 186 last year. There were some minor injuries. The SAT phones were unable to call out. The country code needs to be dialed before calling out or it will not work. SPOT Trackers were NOT used. It was mentioned that MRANN needs to make a quick guide that stays with the SAT phones and the SPOT Trackers so anyone can use the devices if in need.

Corey Herring M/C –Honeylake, CA- Rider count in 2015 was 178. In 2016, the rider count was up with a total of 317. There were 54 team racers at this event. The location change seemed to help increase the number of riders this year. There was an issue regarding the dust, because there wasn't enough water. The track owners are more open to getting the necessary resources for next years' race. There were 9 injuries at the CHMMC race. Discussed sweepers that were on the track at the same time as the mini's.

Gold Diggers M/C- Elko, NV – Race went well, there were some scoring challenges on Saturday. 1 rider was flown out and is healing. There were 12 teams for the team race, 26 pee-wee's, 16 mini's, 17 women and 3 bombers. 85 riders on Sunday and 74 on Sat.

****A rider was DQ'd for cutting course. A protest was made by rider S.T, and the sub-committee reversed the clubs decision from a DQ to docking the rider 5 positions instead.**

WSRA- Toulon, NV- Saturday had 69 mini's, 25 teams. Sunday had 77 riders. Saturday went well, Sunday there were issues with one turn that was not re-marked. This created a problem because riders were doing the wrong loops. WSRA apologizes to all of the riders and pit crews that were affected by this. Thank you to RMS and CMS for sponsoring.

Tankslappers M/C- Nightingale, NV- East side of the road, permits are in.

Paperwork was submitted again because BLM officer retired recently who was working on it. Permit should be issued by Thursday prior to the race.

Rimbenders M/C & Cheaters M/C- Moonrocks, NV Looks good, still waiting on official permits. The Moonrocks area will NOT be a closed area, so prepare for heavy traffic, rock crawlers etc. to be using the area as well. There will be a costume contest for riders and there will be a contest for the best decorated camp site. Both contests will have great prizes!

MVDS- Still waiting on permits, planning to be out at Bottle Creek.

OLD BUSINESS:

Secure your personal items at races- There were stolen generators, helmets, gas cans and damage done to trailers/trucks at the Trailblazers race. Please keep an eye on your camp and the people who are wandering around in the pits. Unfortunately, this has continued to be a concern at other race locations as well.

Corey Herring Scholarship- 4 Scholarship winners have been determined!
Congratulation to: Jason Alosi-\$1000 (UNR), Jordan Herring- \$1000 (TMCC),
Elle Thomas- \$500 (UNR), Jacob Ayala-\$500 (TMCC)

2017 TENTATIVE RACE SCHEDULE-

*** February 4-5.....Cheaters M/C & Rimbenders M/C???**

*** February 18-19.....Trailblazers M/C**

*** April 8-9.....Lassen M/C**

*** June 17-18.....Corey Herring M/C**

*** September 9-10.....Gold Diggers M/C**

*** March 11-12.....Western States**

*** October 7-8.....Tankslappers M/C**

*** October 28-29.....Rimbenders M/C & Cheaters M/C**

*** November 11-12.....Mason Valley Dirt Squirts**

UPDATE: WE HAVE A POTENTIAL DATE ISSUE AND NEED RESOLUTION. RIMBENDER AND CHEATER RACE NEEDS TO BE FEB. 25/26 DUE TO PERMIT AND WEATHER. DAN RANKIN WILL TAKE BACK TO TRAILBLAZERS AND SEE IF WE CAN RESOLVE THIS ISSUE.

Medical Equipment- (Seth Williams) The original estimate was around \$2,500. It actually came in less than expected at \$1,500. Clubs will have the option of providing EMT's at their race instead of hiring

REMSA. Equipment will be ready by the Trailblazers race. Seth will give Tina fillable check out forms for the MRANN site. Gear will be stored at RMS and ZERO club points will be awarded for any lost, stolen, or damaged equipment that is not reported.

***We need to replenish and beef up our medical supply inventory.**

MRANN Banquet- (Amy DeLaney) We will be looking in to having the banquet at The Nugget on January 14, 2017. More details to follow.

MRANN Family fun days-(Team Grease)- Postponed

Protest- A racer (CM) was docked 5 positions because the race course worker (RS) claims that the rider unsafely came through the stop check making contact with the course worker. The racer is challenging the clubs decision to impose this penalty. The sub-committee was formed, and statements were submitted from the racer and also the course worker. Club representatives had the opportunity to discuss and determined that the original determination the club made was valid and upheld. 7 voted yes to allow the original determination to stand, and 2 voted to dismiss the appealed determination. Club Presidents need to remind members, racers, workers to use caution while entering and exiting checks as well as course workers moving out of the way quickly.

****Discussion- Etiquette checklist****

- **Media- Club members need to get on Race Talk on the MRANN site frequently and check for time sensitive information and items requiring voting.**
- **Medical- (Chris Ingram) We currently have 3 medical backpacks that are in need of replacement due to broken zippers. We should also have 4 backpacks instead of 3, to accommodate all of the supplies necessary. The cost is \$160 wholesale, \$215 retail each.**

Ryan Hyken made a motion to purchase 4 new medical backpacks to replace the broken backpacks. This motion was 2nd by Steve Tichenor. This motion was all approved.

- **Possibility to purchase more SAT phones vs. SPOT.**
- **People are having a difficult time locating where the medical staff is stationed in the pits. In order to stand out more, there was a suggestion to get medical flags or magnets that affix to the vehicles, to help locate medical staff more quickly and efficiently. No decision made at this time to purchase items.**
- **A potential rule to all clubs was discussed. (Must have a designated and marked area for medical staff and equipment at each race) No voting occurred to make this official.**
- **We need to come up with a standardized comprehensive plan, when utilizing medical staff and supplies. Need to discuss access points for vehicles/care flight to reach injured riders, prior to race.**
- **Discussion: How does a club from another state become established here? (Representatives from the Polka-Dots MC attended the meeting)**

The process is as follows: It needs to be presented to the board, a written proposal needs to also be sent to the board, with a plan stating the date/sanctioning/permits already in hand from the BLM or private property. Club is responsible to uphold all requirements under MRANN such as: Santi-Huts, Communication, Medical etc. and also be voted in by each club already affiliated with MRANN.

Medical Equipment: (Seth) We need to continue to beef up medical supplies in order to provide the service that REMSA provides. (More splints, hot packs, cold packs, saline and gauze)

Dave made a motion to “beef up” medical supply inventory prior to the next race and allocating a maximum of \$300.00, in order to get these supplies. Phil-Seconds motion, All approved.

Discussed rider support: Enhance rider safety with communication, medical supplies/back packs & Care Flight.

NEW BUSINESS:

2017 TENTATIVE RACE SCHEDULE-

- * February 4-5.....Cheaters M/C & Rimbenders M/C???
- * February 18-19.....Trailblazers M/C
- * April 8-9.....Lassen M/C
- * June 17-18.....Corey Herring M/C
- * September 9-10.....Gold Diggers M/C
- * March 11-12.....Western States
- * October 7-8.....Tankslappers M/C
- * October 28-29.....Rimbenders M/C & Cheaters M/C
- * November 11-12.....Mason Valley Dirt Squirts

UPDATE: There were 2 solutions to solve this timely conflict due to submitting the plans to the BLM. Solution 1 was to change the dates, and solution 2 was to have back-to-back races. After numerous discussions and possible dates, Thomas Lay made a motion to have back to back race dates in 2017 for the first 2 races. This motion was second by Ricky Dahlberg. We would like the clubs to take it back to their clubs and vote on this issue at the November meeting.

RACE DATES WOULD BE:	FEBRUARY 18-19 2017 (Trailblazers M/C)
	FEBRUARY 25-26 2017 (Rimbenders/Cheaters M/C)

2017 Banquet: Banquet tickets will be on sale as of October 29th!
January 14, 2017 at the Nugget in Sparks, NV. Deposit has been made. We are still in the

process of reserving a DJ. We will be awarding Sportsman of the Year, Family of the Year and also recognizing current board members and introducing incoming board members. We will have security at the door this year, only allowing ticket holders access to the banquet hall. In order to cover increasing banquet costs.

A motion was made by Jack to increase the cost of adult tickets from \$30 per person to \$35 per person and the child's ticket will remain the same at \$15 per ticket. This motion was second by Phil H. and all clubs in attendance approved this action unanimously.

Nominations for the 2017 MRANN Board Positions:

President- Dan Rankin

Vice President- Thomas Lay & Robert McAdam

Treasurer- Anita Honea

Secretary- Julianne Zotter

Land Use Rep.- Dave Zotter

Big bike referee- Ryan Hyken

Mini bike referee- Seth Williams & Beth Legenbauer

Discussion for Gold Diggers- Medical/ambulance.

Notifying riders on the flier and entry forms with the type of medical transport and personnel available. Re-visit REMSA/medical sweeps @ sub-committee meeting in November. MRANN will need to ensure this information is on the flier before approval.

Discussion for WSRA- Continuing Dual Sanction?

Live engine vs. dead engine

There will need to be hard set rules if we move forward this way.

D36-restricted their rules to accommodate their riding areas.

Clubs need to be put in a position to be successful to put on reasonable races, backing down mileage to do so if necessary and the rules need to be streamlined and structures.

Discussion for Tankslappers- The team race will not happen at their race. When this was voted on in December of 2015, only 4/9 clubs were present at the meeting to vote. Per MRANN rules, 75% of clubs need to be present to decide. It was suggested that club points from all Tankslappers would be revoked if the team race was not put on by the club. It was unanimously decided that club points for the Tankslappers that would participate in the team race would be penalized just for the team race, and no other club members would have points revoked for this action.

The sub-committee will be discussing whether or not the team race will continue in 2017, and if it does, the rules will be laid out explicitly.

Land Use Committee Report: (Dave Zotter)

*****BLM person from Winnemucca retired, please stay on top on permits.**

The Land bill passed the House of Rep. and is now in the Senate for approval. There are 6 different parts to this land grab bill. The land grab will probably move through the Senate with the other parts of the bill. Dave is in the process of setting up a meeting with the BLM before the end of summer to put together an agenda and move forward.

Gold Diggers M/C- Elko, NV **Location change-Winnemucca Mountain area, staging at Jungo road. Elko will be the back-up location. Course will be on private property and BLM, awaiting approval.

WSRA- Toulon, NV-Race is on track and it will be a dual-sanction race with points allotted for both. Pretty confident event is a go. Flier could possibly change. There will be 6 races on Saturday. District 36 will do scoring and will require \$10 per rider for transponders. WSRA will look into negotiating to reduce that fee.

Tankslappers M/C- Nightingale, NV- East side of the road, permits are in.
Paperwork was submitted again because BLM officer retired recently who was working on it.
Currently awaiting approval from BLM.

Rimbenders M/C & Cheaters M/C- Moonrocks, NV Looks good, still waiting on official permits. Race can be a go, but BLM fees are \$6000. Discussed options in order for race to continue.

Option 1: \$10 more per rider to cover fee Option 2: \$2000 out of MRANN Land Use fund to help offset cost. Option 3: No race.

**MOTION- PHIL HERRING MADE A MOTION TO TAKE \$2000 OUT OF THE LAND USE FUND TO PUT TOWARDS THE BLM FEES FOR THE MOONROCKS, RIMBENDER RACE FOR 2016.
ED SELLERS SECONDS THE MOTION, ALL APPROVED.**

- A potential rule to all clubs was discussed. (Must have a designated and marked area for medical staff and equipment at each race) No voting occurred to make this official.
- We need to come up with a standardized comprehensive plan, when utilizing medical staff and supplies. Need to discuss access points for vehicles/care flight to reach injured riders, prior to race.
- Discussion: How does a club from another state become established here?
(Representatives from the Polka-Dots MC attended the meeting)
The process is as follows: It needs to be presented to the board, a written proposal needs to also be sent to the board, with a plan stating the date/sanctioning/permits already in hand from the BLM or private property. Club is responsible to uphold all requirements under MRANN such as: Santi-Huts, Communication, Medical etc. and also be voted in by each club already affiliated with MRANN.

NEW BUSINESS:

Medical Equipment: (Seth) We need to continue to beef up medical supplies in order to provide the service that REMSA provides. (More splints, hot packs, cold packs, saline and gauze)

Dave made a motion to “beef up” medical supply inventory prior to the next race and allocating a maximum of \$300.00, in order to get these supplies. Phil-Seconds motion, All approved.

Discussed rider support: Enhance rider safety with communication, medical supplies/back packs & Care Flight.

2017 Banquet:

January 14, 2017 at The Nugget in Sparks, NV. Deposit has been made. We are still in the process of reserving a DJ. We will be awarding Sportsman of the Year, Family of the Year and also recognizing current board members and introducing incoming board members. We will have security at the door this year, only allowing ticket holders access to the banquet hall. In order to cover increasing banquet costs.

A motion was made by Jack to increase the cost of adult tickets from \$30 per person to \$35 per person and the child's ticket will remain the same at \$15 per ticket. This motion was second by Phil H. and all clubs in attendance approved this action unanimously.

Discussion: Polka-Dots (Sean Rhodes)-Not in attendance. Curt Crandall wants to do a triple sanctioned race in Prairie City. We will discuss again when they are in attendance.

Nomination will be held at the September 6th board meeting. Please nominate people for the 2017 MRANN Board Positions:

Land Use Committee Report: (Dave Zotter)

The land grab at Moonrocks is in progress. Information from AMA states that this bill is already in the House of Representatives. The bill was written by Mark Amodei. The idea is to transfer a large portion of BLM land to the Indian Colony. The result of this would mean less

trail access. Different maps show our race areas, so meeting with BLM to show them what we use is imperative. Lassen will be affected on the Fort Sage area because of Sage Grouse.

Race report updates:

Trailblazers M/C- Nightingale, NV- Race went well, positive feedback, some injuries, one careflighted, another with a hurt shoulder and a knee injury. 212 total riders this year. Last year 218 total riders.

Cheaters & Rimbenders M/C-Blue Wing Flat, NV-197 total riders, 13 teams, a lot of riders were positive and happy about the course. One rider careflighted for broken arms, other injuries that required the use of MRANN's medical equipment. Rider count was up by 40 from last year. Everyone kept a very clean camp.

Lassen M/C- Wendel, CA- Rider count for MRANN was up 10% this year from last year, team race is helping with that increase. Lassen had 208 total riders this year and 186 last year. There were some minor injuries. The SAT phones were unable to call out. The country code needs to be dialed before calling out or it will not work. SPOT Trackers were NOT used. It was mentioned that MRANN needs to make a quick guide that stays with the SAT phones and the SPOT Trackers so anyone can use the devices if in need.

Corey Herring M/C –Honeylake, CA- Permits are in. Pee wee course is 1 mile, mini & women is 3 miles, big bike course is 4 miles. The owners of Honey Lake MX track are requesting a \$5 camping fee. Release forms must be signed at the gate, these forms will also be available on the MRANN site.

WSRA- Toulon, NV-Race is on track and it will be a dual-sanction race with points allotted for both.

Tankslappers M/C- Nightingale, NV- East side of the road, permits are in.

Rimbenders M/C & Cheaters M/C- Moonrocks, NV Looks good, still waiting on official permits.

Gold Diggers M/C- Elko, NV **Location change-Winnemucca Mountain area, staging at Jungo road. Elko will be the back-up location.

MVDS- Still waiting on permits.

OLD BUSINESS:

Secure your personal items at races- There were stolen generators, helmets, gas cans and damage done to trailers/trucks at the Trailblazers race. Please keep an eye on your camp and the people who are wandering around in the pits.

Corey Herring Scholarship- 4 Scholarship winners have been determined!
Congratulation to: Jason Alosi-\$1000 (UNR), Jordan Herring- \$1000 (TMCC),
Elle Thomas- \$500 (UNR), Jacob Ayala-\$500 (TMCC)

2017 TENTATIVE RACE SCHEDULE-

- * ? Western States
- * October 7-8.....Tankslappers M/C
- * October 28-29.....Rimbenders M/C & Cheaters M/C
- * November 11-12.....Mason Valley Dirt Squirts

Medical Equipment- (Seth Williams) The original estimate was around \$2,500. It actually came in less than expected at \$1,500. Clubs will have the option of providing EMT's at their race instead of hiring REMSA. Equipment will be ready by the Trailblazers race. Seth will give Tina fillable check out forms for the MRANN site. Gear will be stored at RMS and ZERO club points will be awarded for any lost, stolen, or damaged equipment that is not reported.

*We need to replenish and beef up our medical supply inventory.

MRANN Banquet- (Amy DeLaney) We will be looking in to having the banquet at The Nugget on January 14, 2017. More details to follow.

MRANN Family fun days-(Team Grease)- Postponed

Protest- A racer (CM) was docked 5 positions because the race course worker (RS) claims that the rider unsafely came through the stop check making contact with the course worker. The racer is challenging the clubs decision to impose this penalty. The sub-committee was formed, and statements were submitted from the racer and also the course worker. Club representatives had the opportunity to discuss and determined that the original determination the club made was valid and upheld. 7 voted yes to allow the original determination to stand, and 2 voted to dismiss the appealed determination. Club Presidents need to remind members, racers, workers to use caution while entering and exiting checks as well as course workers moving out of the way quickly.

****Discussion- Etiquette checklist****

NEW BUSINESS:

- Media- Club members need to get on Race Talk on the MRANN site frequently and check for time sensitive information and items requiring voting.
- Medical- (Chris Ingram) We currently have 3 medical backpacks that are in need of replacement due to broken zippers. We should also have 4 backpacks instead of 3, to accommodate all of the supplies necessary. The cost is \$160 wholesale, \$215 retail each.

Ryan Hyken made a motion to purchase 4 new medical backpacks to replace the broken backpacks. This motion was 2nd by Steve Tichenor. This motion was all approved.

- Possibility to purchase more SAT phones vs. SPOT.
- People are having a difficult time locating where the medical staff is stationed in the pits. In order to stand out more, there was a suggestion to get medical flags or magnets that affix to the vehicles, to help locate medical staff more quickly and efficiently. No decision made at this time to purchase items.
- A potential rule to all clubs was discussed. (Must have a designated and marked area for medical staff and equipment at each race) No voting occurred to make this official.
- We need to come up with a standardized comprehensive plan, when utilizing medical staff and supplies. Need to discuss access points for vehicles/care flight to reach injured riders, prior to race.

Big Bike Referee- (Ryan Hyken) Points are updated. Bumped riders: Greg Wyman 43X Nov. to Am. & Dave Rennie Am. To Ex. **CLUB PRESIDENTS, PLEASE INFORM RIDERS OF CHANGES/BUMPS.**

Mini Bike Referee- (Seth Williams) Points are updated.

Land Use Committee Report: (Dave Zotter) Dave has put together a pretty decent map. He will make copies for review. Maps have been made that show the perimeter of race areas we use. We want to use them to show the BLM where our races take place. The Indian Colony and legislature are trying to land grab Moonrocks area. BLM doesn't have much to do with this, it's more legislative. Don Amador from Blue Ribbon Coalition is aware of this, and he needs race access points that are being affected. Please send Google maps, race maps etc. top Dave in order to help Don. There is a link on racetalk on the www.racemrann.com to complete an auto generated letter. Please spread the word so we can make sure as many letters are submitted as possible.

It was mentioned that MRANN needs to make a quick guide that stays with the SAT phones and the SPOT Trackers so anyone can use the devices if in need.

****DISCUSSION-Nick Alosi also recommended that MRANN needs to make their own antenna/mobile box that would relay handheld devices/and antennas throughout all check points and pits throughout the race for better communication. This system would cost between \$2000-\$2500 to make with extra hand held devices. Club reps will discuss with clubs and report back at next MRANN meeting.**

NEW BUSINESS:

***Banquet Overview:** Was held on December 5th, 2015 @ The Nugget.

- Good feedback-people liked the food, hotel rooms and amenities, need a stage, DJ-awful
- Banquet date for 2016...? Before XMAS or After New Year?
- Discussed how to determine race of the year. Will it continue to be voted on by only those riders who raced every race of the season?

- **NEW BUSINESS CONTINUED:**

***2016 Rule book changes:** Need to update the rules as follows:

- Amend: Maximum fees for races- Max is \$60 for entry fee
- Add in Land Use admin/committee members
- Go over changes next meeting

***Increase 2016 Rider Membership:** Each club will be responsible for putting on a team race, as voted on in December of 2015.

- * Make MRANN T-shirts with race dates on the back to promote advertising.
- * Spend more money on advertising....billboard?

*** Corey Herring Scholarship:**

* The Corey Herring Scholarship fund is set up for kids who are apart of MRANN who are going on to college. They have disbursed around \$22,000. They are working on a debit card system that would allow recipients to use the scholarship directly for books/school related expenses.

- * We will be promoting this scholarship on the MRANN website.

*** Open Forum**

* Medical Supplies-We have a missing SAT phone. There will be a checkout system so we can inventory when supplies are used and need to be replaced. Clubs will be responsible for providing EMT's or using REMSA. If club members are EMT certified or higher, the club no longer has to use REMSA as the sole provider.

MOTION #1- Seth made a motion to purchase medical equipment that meets or exceeds Winnemucca's BLM stipulations for MRANN by the 1st race not exceeding \$2,500→Dave-Seconds the motion.....This motion was passed unanimously by all clubs and board members.

* UTV Checkout- Side by side came back damaged and dirty after last club used it. MRANN equipment MUST come back clean and any mechanical issues/damage needs to be reported immediately. Not following these directions could result in deposit being forfeited upon review.

- * MRANN Trailer needs new tires and the tongue crank is broken.

- * Contingency Programs- KTM/HUSKY HOOK-IT- Also look into Yamaha Blu Cru (Chris)

* Team race rules- Each club will put on a team race. 2 riders per team, \$20 per rider=\$40 per team, Must have a MRANN card to participate, must be 65cc Amateur and up to race, 90 minute race and there will be an end of year trophy.

MOTION #2- Tina made a motion to allow 85cc and up to race the team race→Steve-Seconds the motion.....the club and board votes resulted in a tie.

REVISED MOTION- In order to race the team race, the rider must be a 65cc Amateur or higher.....Motion was passed with a YES vote.

**MOTION #3-Gary Moore made a motion to score the bomber class in order to recognize and grow the class→Ed-Seconds the motion.....This motion was passed with a YES vote
Trophy will also be given at the end of the 2016 season for Bomber class.

***We need to collect money from the Tankslappers and the Gold Diggers for one-day MRANN cards. Free 1-day MRANN cards were NOT voted and approved on.

Mini Bike Referee- (Reece Honea) Some riders were bumped and will be announced at the banquet.

OLD BUSINESS:

Tankslappers Race October 17th & 18th - Purgatory Peak –

*63 riders on Saturday and 63 riders on Sunday. 1 rider was injured and care-flighted. Course has been cleaned up and held up well. Recent rain has flattened out the terrain. Proper safety gear is extremely important and MRANN should consider enforcing regulations for safety.

*Mileage of loops were not accurate and clubs MUST make sure it is accurate for gas mileage purposes.

2016 Race Dates: ~REVISED~(Corrections are in RED)

Trailblazers- February 13th & 14th

2016 Board Positions were voted on and all unanimously passed

The MRANN board members for the 2016 race season are:

President- Chris Maas

Vice President- Stephen Tichenor

Treasurer- Keith Serpa

Secretary-Amy Delaney

Big Bike Referee- Ryan Hyken

Mini Bike Referee- Seth Williams

Land Use Rep- Dave Zotter

NEW BUSINESS:

***If riders DO NOT have all matching numbers on ALL number plates, they will be DISQUALIFIED!!! The referees will be holding clubs accountable for enforcing numbers on all 3 number plates.**

Bumped riders- Any bumped riders will be notified at least 2 weeks prior to the next race date.

Medical Equipment- Up to date and properly inspected medical equipment should be our number one priority. There was a discussion about MRANN purchasing our own set of medical equipment to help save money in the long run as well as having on site up to date medical supplies. Medical equipment would include but is not limited to: backboard, AED, traction splint, bandages etc. Cost will be discussed at a future MRANN board meeting.

Protest- There was a protest brought to the MRANN board's attention regarding a mini rider cutting course. Unfortunately, this protest was not submitted and received in writing within the protest timeline per the MRANN rules. Protest was dismissed.

Discussion-MRANN should purchase a sound system with any remaining SWECO funds. No motions made.

Land Use -\$15280, Cory Herring Fund-\$9985

****SWECO** Money was used to purchase a side-by-side for club use for races. The cost was \$14,000 and includes a trailer. Decision was made by Paul & Dennis.

Secretary Report- (Amy DeLaney) Banquet details-December 5th need to make flier.

Big Bike Referee- (Chris Maas) Point changes have been made for riders in respective clubs, no new bumped riders.

Mini Bike Referee- (Reece Honea) WSRA had minimal issues. 2 bumped riders

OLD BUSINESS:

MVDS Race September 12th & 13th: Awesome race, one injury. 127 riders total for both days. Miscommunication during riders meeting regarding mileage. Paul Z. does not feel that this race should be considered a MRANN race.

***Discussion-** Only 33 people have raced every race at this point of the season. We need to put on better quality races if that means having fewer events. Some people aren't out there to race and be serious, they are also out there to have fun. We need to promote and market the races more efficiently and get fliers to motorcycle shops all over.

Western States Race September 26th & 27th- Toulon: 120 riders total. Pee-wee course, some got lost. Brandon Henning was in a collision on his dirt bike with the Harris' truck.

Tankslappers Race October 17th & 18th- **Purgatory Peak** Permits are in hand, 46 mile hare scramble.

Gold Diggers Race October 31st & November 1st-Winnemucca

Rimbender Race #2- October 29th & 30th

Land Use: (Chris Maas) The group met a week ago and is asking each club President to email Chris Maas with current GPS coordinates to see if the Sage Grouse are impacted in our areas. The grouse are not considered endangered. The BLM is trying to minimize recreational use and working against us. The radius went from 3 miles to 4 circular miles, basically the BLM broke the law to push their agenda. Don Amador is involved with Dry Valley.

****Chris made a motion to have land use member be part of the board for 2016, Keith Serpa 2nd the motion and the votes were unanimously in favor of this motion.**

Secretary Report- (Amy DeLaney) Banquet details-December 5th need to make flier.

Big Bike Referee- (Chris Maas) Point changes have been made for riders in respective clubs, currently fixing advancement points.

Mini Bike Referee- (Reece Honea) Discussed if electric bikes allowed to race in the 50 class.

OLD BUSINESS:

MVDS Race September 12th & 13th: 32 mile course, big washes, 3 laps, big washes, fast race course. Road looks good now. Course is marked. There will be rocky washes, huge sand washes. Art Verling will be there for scoring.

Western States Race September 26th & 27th - Toulon: Whoops are gone, last enduro being put on by WSRA due to not enough volunteers. Art Verling will also be using scoring system at this event.

Tankslappers Race October 17th & 18th - Purgatory Peak

Permits are in.

Gold Diggers Race October 31st & November 1st-Winnemucca

Not present

BLM Land use: Blue Ribbon Coalition-Every club needs to advocate to get their members to submit letters to BLM regarding sand wash closures. This is important to keep riding open, need everyone to be proactive and involved.

We had several representatives come to the meeting and talk about how they could help MRANN with land use issues. One is an attorney who is willing to help with the environmental law aspect. We also have another lady who is a BLM retiree, willing to help with permits, approaching the BLM with requests and helping with the grant writing process. Chris Maas' father is also willing to help on an as needed basis.

Discussion: Now is the time to get these people to help us make a difference instead of just talking about it. Chris Maas has headed up a Land Use Committee to get the ball rolling.

Use money in land use fund to pay for EA, or entertain the idea of hiring grant writers. We need a plan on how to move forward as a unified group.

If anyone is interested in writing grants, please come to next MRANN meetings.

Rimbender Race #2- October 29th & 30th

Land Use: (Chris Maas) Discussed sage Grouse, Fort Sage/Dry Valley all of NV. Current maps are misleading with what areas are impacted. 99.9% of MRANN races are NOT close to Sage Grouse. New maps are coming out in Sept. Possibility in having to change race dates for 2016. Discussed Johnson Lane flooding issues because residents feel it is due to OHV use in the area. Flood outreach session with BLM is: 8/7/15 at CVIC Hall in Minden, from 3:30-7. There has been a meeting with the state director. New legislation on how grant money is being spent. Cost recovery- Carson district is charging more than others. All BLM fees will be increasing, BLM doesn't know why each district charges different amounts. PUBLIC COMMENT IS NOW CLOSED! Federal Govt. is looking at amending stipulations.

Land Use: (Chris Maas)

What are the focus areas? Seeking input regarding sage grouse proposal. Linda will be able to help discuss at next MRANN meeting in August.

OHV funds for sticker use-Using these funds for cost recovery for clubs.

Race committee and permit process-We want a standard process regardless of area. Land acquisitions to prevent same race areas, multi-purpose use. Reaching out to Southern MRAN to see what they do for permitting. Reimbursement for meeting attendances for land use committee members.

Board Positions Open for Nominees for 2016:

We will discuss at August meeting. If anyone is interested, please contact

NEW BUSINESS-

BLM Land use: Blue Ribbon Coalition-Every club needs to advocate to get their members to submit letters to BLM regarding sand wash closures. This is important to keep riding open, need everyone to be proactive and involved.

We had several representatives come to the meeting and talk about how they could help MRANN with land use issues. One is an attorney who is willing to help with the environmental law aspect. We also have another lady who is a BLM retiree, willing to help with permits, approaching the BLM with requests and helping with the grant writing process. Chris Maas' father is also willing to help on an as needed basis.

Discussion: Now is the time to get these people to help us make a difference instead of just talking about it. Chris Maas has headed up a Land Use Committee to get the ball rolling.

Use money in land use fund to pay for EA, or entertain the idea of hiring grant writers. We need a plan on how to move forward as a unified group.

If anyone is interested in writing grants, please come to next MRANN meetings.

They are working to re-establish a point to point race.

NEW BUSINESS-

SPOT Trackers: They have been utilized at the last 2 races and have come in handy. They have been used by the sweepers and were very well received by the clubs so far.

Rules: No minimum wheel size for 65cc class. Has a maximum, but no minimum. Only size is a 14/12.

Concern: 50cc rider on the bigger course

Discussion: What is the bonus for kids racing the bigger course? It's working fine the way it is.

RULE CHANGE: Effective immediately- \$60 race entry fee

Need help with OTHG Sandbox MX race: Need flaggers and gate workers.

President- (Paul Zigler) Checking in with board members

Vice President- (Keith Serpa) MRANN applications are currently being processed and cards are being made. We have made around 100 cards.

Treasurer Report- (Dennis Belingheri) The general fund has-\$6,274

*MRANN Email Blasts are going to cost-\$15.00 per month.

*MRANN purchased 1 SPOT Tracker from general funds, which will be used at the races. This is a one-time \$400.00 purchase for the 2015 year, this includes the device and service contract with provider. Service will be renewed yearly.

*Trophies, Banquet and Overall Jackets are very expensive.

Secretary Report- (Amy DeLaney) Monthly email blasts seem to be going well. There have been around 40 emails that were currently no longer in service. If anyone wants to be a part of the monthly emails, please send an email to: mrannsecretary@gmail.com.

Big Bike Referee- (Chris Maas) No appeals yet, as race season hasn't started yet. The rider bump list has been posted. Scoring sheets were discussed.

RACE SCHEDULE-

Trailblazers Race February 13th & 14th @ Nightengale- Permit is good to go. It will be a fun and fast course, with some challenging terrain.

*Pee-wee course- Around Pit area, 45 minute race.

*Mini- 8 mile course for 1 ½ hours.

*Big bike course- 2- 45 mile loops

Cheater/Rimbender Race February 28th and March 1st- "Wide Open 120" @ Blue Wing Flat-

*Mini Course- Hare and Hound, 1 loop- stop check at 30 miles.

*Big bike course-2-64 mile loops

Lassen Race April 11th and 12th @ Doyle-

Everything looks good, Chris Maas is proposing a new course for minis and women.

Corey Herring Race June 20th & 21st -Not in attendance

Gold Diggers Race October 31st & November 1st - Winnemucca

They are working to re-establish a point to point race.

Trophies Discussion- Year End

*Percentage of trophies given. Kids should continue to earn trophies in classes, and we should cut back on big bike trophies.

Kids need to attend at least 75% of the races.

Big bikes will receive trophies for the top 3 in class. Only 1st OA Amateur and 1st OA Novice will receive banquet trophy.

NEW BUSINESS-

***MRANN Cards-** People racing BOTH Saturday and Sunday races will receive 2 cards, one for each day, and will need to pay \$25 per card or Family Membership fee.

New Business Continued-

***A motion has been made by: (Tom Chattin) To purchase 2 additional SPOT Trackers for each club to use for their race.**

ACTUAL MOTION:

***MRANN will BORROW \$800.00 from the land use fund, with the intention to pay it back, in order to activate and purchase 2 additional “SPOT” Tracking devices for club use during each race for rider safety. If the club damages or loses the “SPOT” Tracker(s), they will be responsible for replacing the devices at their own expense.**

***Motion Seconded by: Dan Rankin**

Club Results Request-

*On Club results, notate bike type for KTM CASH/CONTINGENCY.

*Chris will send a template for every club to use to make results uniform.

*Need club rosters for points

*Tom Chattin thanks board members. 😊

*When elected representatives come to MRANN meetings, they are responsible for voting and representing the opinion of their club. There will no longer be a lapse in making decisions and voting on topics.

***Rule discussion on women and kids starts:**

Rule States: Women and kids MUST start separately, but the club can decide how many waves are on each starting line. (For example, 1 line for all women regardless of skill level instead of 3)

Former President Report- Thank title sponsors! RMS from the beginning. CMS & Backcountry again is great. All sponsors help bring down the insurance for the clubs from \$600 to \$150-200!

New President Report- No News

VP President- No News

Treasurer Report- Sent check to pay for trophies and to website person. Need to pay State Treasurer.

Big Bike Ref- Good, all points are good and final!

Mini Bike Ref- Bumped 3 riders

Races Next Year;

- Trailblazers- BLM sounds like we're all ready. BLM would like to have private properties owners sign consent form. Haven't been strongly enforcing but are talking about it and it would be very troublesome if they really do start requiring. Sundays course is 2 50 mile loops. Saturdays course 40 mile loop with pit being at first road crossing. Everything else is looking good.
- Cheaters- Everything looking good. Similar to 2 years ago, 45 miles loops with pits on dry lakebed.

- Lassen- Good. Some course 2 years ago, Dry Valley. New start, down a trail not a road, maybe shortening the course a little making it novice friendly. They go over personal property too and send out letter to all owners. Susanville office try to get radius down for Grouse cause they don't agree with the 5 mile radius.
- Corey Herring- On schedule
- MVDS- Yerrington Hare & Hound, 3-sanction race with Nationals, Silver State Championship & MRANN (Hopefully depending on vote tonight cause race date had to be changed making it a back to back with WSRA). 3 loop race.
- Tankslappers- Race of the Year again☺

New Business-

- ZigTator wants to get 12 MRANN kiosk made up and place in different locations. Thinking of putting one at RMS, CMS, BVH, Motorsource, Michaels and MPC in Roseville. Could be made free standing or for a counter. Kiosk would have race dates on it and room for either a flyer, brochure or membership application, still need to decide which one and if sponsors logs will be on it.
- Entry Fees for next year- what clubs made money? Next year should Hare & Hound be the same as a 10 mile course?
- Land Use Funds- Not being used for anything. What are we going to use this for? We need to have a goal for what its going to be used for, if no goal shouldn't charge club for it. Have goal ready for next year. Just trying to make sure clubs keep putting on races.
- Suggest rule change for mini bikes- Peewee 4 stroke class add up to 110 ccs up to 14 inch wheel without clutch. Want to make it bigger class, only 2 riders last year.

Races Next Year;

- Trailblazers- Should be resaslsly good! Rained, great dirt, no snow. H&H race on Sunday, 1st loop 56 mile and 2nd loop 51 miles. Saturdays course 45 miles, alt gas at 27 miles
- Cheaters- Permit in mail, flyer will be ready to go. Blue Wing Flat, starting on dry lake bed. Good to Go!
- Lassen- Nak talking to BLM, we should be good to go! Should have a new start so we don't have to go down the road.
- Corey Herring- Honey Lake MX SOLD☺ Property sold separately than MX property leaving no access to water so there will not be any races there any more. Race will be going to Fernley Raceway. 595 acres, some pretty cool stuff! Asphalt track. Free camping on 5 acre parcel with concrete rings provided and maybe fire wood! Same dates. Owners are easy to work with. Whole property to ourselves! New MX course we can use and truck racing course. Not at Honey Lake but should still lots of cool stuff!

Old Business-

- There's about \$12,000 currently in the Land Use Fund and ZigTator wants a goal for what the money is going to be used for. Jimmy says- Future! Josh Wilson suggests it is to be used to preserve desert racing, for it we need to hire an attorney. Group discussions suggests it should be used for- EA's, buy land and/or preserve desert racing. We need to have as a back up. Cost recovery will have to be paid. If club can't do EA, then should MRANN pay for it? If so we would need to decide who gets approved. WSRA wanted to do course in Pine Nuts and they wanted 40K to do an EA there. WE NEED TO MAKE SURE ITS BEING SPENT RIGHT. Some clubs been paying \$5.00 a rider for 10 years and have never used any of it and doesn't want to see it all spent again.

New Business-

- We should have a booth at VCGP!!!! Ziggy going to find out about getting us a booth. We'll then need people to help man the booth.
- Every club should have a facebook page!
- Fundraiser- maybe sell t-shirts! Support your local desert racer! T-shirt idea concert t-shirt with race info on the back like tour info is on the concert shirts.

President Report- Posted scholarship stuff on website. MRANN board members to be on the Corey Herring Scholarship Fund board also. Want to have scholars picked by May 1, 2014. Need a new website guy, guys we using got paid and hasn't done everything he said he would.

VP President- Need to find a new website guy.

Treasurer Report- March took in \$4,239.00. \$8960 in General account, \$12,960.00 in Land Use account and \$0.00 in Corey Herring Scholarship account. Cut a check to Taylor D Fund for \$250 and NumberTech for \$405. Cut a checks from CH Scholarship to Megan Slanley for \$1013.00.

Big Bike Ref- Points have been updated online. Made a few adjustments and it should be up to date.

Mini Bike Ref- Points done

Secretary- Going to do the booth at VCGP. Need MRANN stickers, schedules and application for booth! Could use volunteers to help promote MRANN at booth!

Races;

- Cheaters- Not here
- Lassen- Ready to go! Little snow out there last week! Course is new layout, some course different. 2 big uphill with one being a big slow rocky uphill!
- Corey Herring- Not here
- MVDS- Not here
- WSRA- Good to Go!
- Tankslappers- Hare Scramble. Permits in!

- Rimbenders- Should be on!

Old Business-

- Sweco tractor at Micah Kenny's house. Ziggy wants to sell and buy something we can use more often. Buy a side by side and get a rake go behind it. Sweco has to have an EA done in order to use it and towing is a problem cause it with the trailer weighs over 10,000lbs.

New Business-

- Not a MRANN event- Unofficial Poker run for Taylor D Fund 4/13/14. Hungry Valley 10am with riders meeting before. Too many trails to mark course. Family run 30 miles course and Big bike 40 mile course. Very little whoops, new trails. Tankslappers club going to have hot dog at pits, which is at the end of Chickadee Rd in Lemon Valley. Alt gas at 20 miles. Need volunteers, call Jack.
- Sandbox GP- Turnout low cause of too many race weekends in a row. Haven't seen numbers yet but definitely lost money maybe \$1000.00. Last year broke even and year before made \$2000.00.
- Harris family needs to make modification to house before bringing Tayler Dahlberg home. They will also have to have someone there 24/7 to help Tayler. Think we should donate money just to the family to help with costs. Want to give \$500-\$1000.
 - Vote to donate \$1000.00

• Lassen M/C	2	Yes
• Rimbenders M/C	1	Yes
• Trailblazers M/C	1	Yes
• Tankslappers M/C	1	Yes
• WSRA	1	Yes

Secretary- Booth went great! Talked to lots of people about MRANN and many didn't know about us! Hopefully got some new riders! Next year want to have more riders at the booth to talk with people providing them with different perspectives.

Races;

- Lassen- 51 riders Saturday with 1 miner injury, 111 Sunday with 1 minor injury.
- Corey Herring- Flyer done. Dirt Track Race event Saturday night, \$8.00 adults & \$5.00 kids. Sunday Old West Shooters Event, everyone dressed up with old guns. Saturday race 5 miles, Sunday race 7-10 miles. Dead engine banner start, Log section, Lava rocks (2 miles of it), rubber tire section, racing through Moto track, Street bike track and paint ball course.

Hopefully Art will be scoring. Plenty of free camping and ok to have campfire. Going to have some kind of silent auction. Concession stand at race are.

- MVDS- National Hare & Hound Race is on! \$4000-\$6000 for permits. 100 miles race. Some course same as National Hare & Hound Race from 1997. 1st loop fast, 2nd loop slower-goes into trees toward Harwthorne.
- WSRA- Toulon Enduro, Good to Go!
- Tankslappers- Nightingale south side of I80. New stuff burned in and some old stuff.
- Rimbenders- Back to Moonrocks! Met with Arthur and he's on board! Good to Go! Halloween theme again!
- Gold Diggers- Not here

Old Business-

- 4 Scholarship applicants as of now and have until 15th to apply. Board members to be on CH Scholarship committee. Will have meeting May 20th at Blind Onion at 7:00 to decide who gets the scholarship!

New Business-

- Idea to get mile markers, would MRANN purchase them?
- Are we going to get a couple GPS's for the races?
 - Check into SPOT with satellite phone

President Report- CH Scholarship meeting went good. Decided to pick a few and give them more money instead of picking several and only giving a little. \$2000 to Taylor Kemp and \$1000 to Ethan Hoffman. We'll be donating to their college not applicant. Still have some money left! Next year want to pick earlier so we can get in the graduation pamphlets. Start accepting application in September and pick by November or December at the latest. Website will be done soon!

VP President- Not here

Treasurer Report- \$7515 in General account, \$12,685 in Land Use account, \$13,162 in CH Scholarship with \$3000 to scholars

Old Business-

- Need to have Race dates picked for 2015 at next meeting in August.

New Business-

- We should do a Family Fun day this summer! Each club puts on a fun event! Dan Raken has property in Wilson Canyon that we can use. 66 acres with 24 on the river. Monies earned would be donated to the CH Scholarship funds. Maybe have MRANN provide BBQ meat & drinks with everyone else bringing side dishes.
